Mother Teresa's General Letters to Her Sisters Kolodiejchuk MC Brian, 2024-06-21 Mother Teresa's General Letters to Her Sisters is a collection of Mother Teresa's circular letters to the members of her religious congregation the Missionaries of Charity Sisters Not intended for those outside her community they were written informally and spontaneously often with little editing It was for Mother Teresa a way of being present to the members of her rapidly expanding religious order Seemingly of little interest except for those to whom they were addressed the letters reveal the spiritual depth and pragmatic leadership of one of the most popular modern saints as well as the inner dynamics underlying one of the most

flourishing religious congregations of the last century At the same time and perhaps surprisingly these letters may also prove to be worthwhile reading for a wider audience Something of God s wisdom and love seems to shine through Mother Teresa s guidance and counsels giving the reader light and help even though he or she is not living the same religious life as one of the Sisters Mother Teresa s unpolished statements are at times humble and at times humbling They inspire confidence and encourage generosity Many a time they are humorous but more often challenging They are sprinkled with serene joy but also permeated with deep pain She delighted in her Sisters accomplishments yet did not shy away from correcting even the smallest flaw which didn t escape her very observant eye Sometimes she sounded just like a mother full of tender loving care and at other times more like a commander in chief exhibiting an iron will and uncompromising determination In either case her followers seemed to have been drawn into the mystery of her charism endeavoring to keep pace with her Was it the attraction of what could be termed as her leadership style in the unrelenting service of the poorest of the poor or the perceived love of a mother s heart that made her so unanimously loved and admired by the members of her congregation Or was it both The letters will reveal the answer Inspiring in their simplicity the letters may well serve as a treasure trove where anyone from a reflective scholar to a caring mother of a family may find satisfaction for their spiritual palate The attractiveness of perennial truth often makes Mother Teresa s presentation of traditional spiritual themes likewise relevant for contemporary needs In the context of Mother Teresa s statement that we are created for greater things to love and to be loved these letters will help the reader discover and experience God s presence through the little miracles of His love in one s daily life They will inspire us to put our love into living action sharing His love with all those we meet and so make our lives something beautiful for God

Moore,Cindy Klick,2016-09-20 From the time the Wise Men came to bring gifts Christmas has been a time of giving gifts to our loved ones to the less fortunate to the church to favorite charities to family to friends and even to our pets In the best spirit of Christmas we give and receive Christmas

gifts remembering the greatest Christmas gift of all God's gift of the Christ Child God's gift to us of a Savior As we give and receive Christmas gifts it is incredibly important to remember that the best Christmas gifts are wrapped in heaven Unfortunately sometimes we concentrate so much on the gifts we want to give to and receive from each other that we miss the special gifts Christmas has for us Christmas has some amazing gifts for us but the truth is that we need the miracle of God's grace to see them feel them hear them wrap our arms around them and celebrate them This study asks a very personal question What are the gifts you would really like to receive from Christmas this year And that is what this book is all about our thoughts and ruminations about the amazing life changing gifts Christmas has for us This Advent study has five sessions one for each Sunday of Advent and one for Christmas Leaders and participants work from the same book which includes readings for reflection a host of age appropriate teaching and learning activities that groups can choose to fit their needs and setting and a short devotional reading for each day of the Advent season **The Catholic Periodical and Literature**

Adams, 2003 Understanding Your Neighbor's Faith Philip Lazowski, 2004 Understanding Your Neighbor's Faith What Christians and Jews Should Know About Each Other was the brainchild of Rabbi Philip Lazowski of Hartford Connecticut The idea was born several years back after he invited a group of non Jewish

clergymen to visit the Holy Land with him Priests ministers and some members of their congregations who wanted a better understanding of Israel and Judaism enthusiastically accepted his gesture of good will Rabbi Lazowski s unique perspective as a Holocaust survivor made him ideally poised to teach others about the historical and philosophical context of Judaism as well as its rich tradition of practice Rabbi Lazowski also learned much from his colleagues of other faith traditions This unprecedented volume gives Rabbi Lazowski and the other clergy the opportunity to explicate their religion using their own language and concepts in responding to the questions of people of goodwill outside their faith Difficult even uncomfortable questions are asked and answered No question is too simple or too complex Every chapter each by an author belonging to a different Christian faith tradition will prove as informative to the co religionist as to the outsider The concise straightforward question and answer style allows the book to be studied in full read casually or consulted for reference
