Senior Leader Decision Making: Lessons Gleaned From Field Marshal Viscount Sir William Slim And Bill

Gates Lt-Col Keith Vore, 2014-08-15 Just as many football players have failed to become great coaches so too have many governmental leaders leaders of industry and military officers failed to succeed when placed at higher levels of responsibility Understanding how to solve problems at increasingly higher levels of dynamic complexity is certainly important to the success of the military at large Being able to discern a complex situation sizing up what is happening and what is critical to the situation knowing at a glance what is occurring and why confidently understanding what is important and what is not and then making a successful decision to respond are critical aspects of senior leader decision making Resources at this level are rarely sufficient to overwhelm the opposition everywhere continuously Divining a path of success that maximizes leverage over the competition at least cost is imperative for long term operations One way to explore this vital issue is to examine the thoughts and decisions of those who have been thrust into complex decision making situations and were eminently successful time and again Sir William Slim faced almost insurmountable complexity in dealing with the Japanese in the China Burma India theater during World War II Yet he managed to figure out a way to succeed in spite of the complexity he faced soundly defeating the Japanese and driving them completely from the country Bill Gates has faced complexity of an entirely different sort in his unparalleled rise to success in the computer software industry He has managed in spite of the complexity to uncannily make decisions that have propelled him to the top of his profession This monograph examines the research question Do the decision making methods used by Sir William Slim and Bill Gates correspond to the theories espoused by Gary Klein with respect to patterns and anomalies singular evaluation and leverage points **A Field Marshal in the**

Marshal Malinovskii Boris Vadimovich Sokolov, 2017 The prolific writer Boris Sokolov author of biographies of Georgii Zhukov and others returns with a new book on Rodion Yakovlevich Malinovskii 1898 1967 a Marshal of the Soviet Union and former Defence Minister who like so many of those who made their name during the Great Patriotic War joined the Tsarist Army at the outbreak of the First World War Unlike the others however his service took him to France as a member of the Russian Legion a move designed to show Russia s support for its French ally in the struggle against the Germans on the Western Front Despite the Bolshevik coup and Soviet Russia s withdrawal from the war Malinovskii elected to remain in France and serve with the French Army until the Armistice after which he made his way back to Russia where he joined the Red Army in the waning days of the Civil War The young Malinovskii chose to remain in the army and rose steadily through its ranks He was later sent to Spain as a Military Advisor to the Spanish Republic during that country s Civil War This fortuitous posting not only allowed Malinovskii to gain valuable combat experience but also kept him out of the country at a time when Stalin s military purge was gutting the Armed Forces However it is Malinovskii s service during the Great Patriotic War that constitutes the heart of this book Sokolov traces his subject s rise from corps to army commander and finally to the command of various fronts During 1943 1944 the forces under Malinovskii s command played a major role in expelling the Germans from the Donets Basin Southern Ukraine Romania Hungary Austria and Czechoslovakia Following the

defeat of Germany Malinovskii was assigned to command the Main Front in the brief war against Japan and remained as Commander in Chief of Soviet forces in the Far East for several years He was summoned back to Moscow as Deputy Defence Minister and later took an active part in the removal of his boss Georgii Zhukov whom he replaced in 1957 It was under his decade long tenure that the Soviet Armed Forces made the transition to a truly modern force and changed the country's status from that of a regional power to superpower

In this two part biography Field Marshal Wavell charts the rise of the 1st Viscount Allenby from a lowly cavalry lieutenant to the rank of Field Marshal Allenby was commissioned into the 6th Dragoons in 1880 well liked by his contemporaries but never considered overly talented However under fire and in contact with the enemy during the Boer War Allenby's talents began to come to the fore tough and disciplined he was rapidly promoted with each battlefield success Afflicted by a rabid temper which led to towering rages at subordinates he was nicknamed The Bull When Europe descended into chaos and the horrors of the First World War in 1914 Allenby was given command of the only British cavalry brigade to be sent to France in 1914 The cavalry distinguished itself in the chaotic fighting of 1914 particularly at the First Battle of Ypres As trench warfare removed any possibility of a war of movement Allenby transferred to command of V Corps and then to lead Third Army Allenby's tactics including frequent counterattacks led to heavy casualties would lead to his transfer to Egypt Allenby organised planned and executed the campaign across Egypt and the Palestine that threw the Ottoman army back all the way Aleppo before the armistice in 1918 Allenby would stay on in Egypt as High Commissioner between 1919 1925 dealing with the fluid and tricky politics of the area before his eventual retirement Here is a piece of work well done and apt reading for the times General Wavell is at once the pupil and successor of his great Palestine commander and is qualified also by sobriety detachment of view and a gift of clear concise writing Three factors have combined the skill of the very competent biographer the crescendo of interest culminating in one of the most brilliantly conceived victories in history and last and most the rugged splendour of Allenby's character

SIR RONALD STORRS in The Spectator

Letters And Journals Of Field Marshal Sir William Maynard

Gomm, G.C.B. &c, &c, From 1799 to Waterloo, 1815. Field-Marshal Sir William Maynard Gomm G.C.B., 2011-08-27 Field Marshal Gomm's letters and journals provide a first rate account of the numerous actions, battles and events that he was involved in during the Napoleonic wars. A seasoned officer from a military family, he was an acute observer of all that went on around him and the notes and letters he wrote, edited by his son, provide a capital trove of information. This collection of his diary entries and letters focuses on the Napoleonic Wars, although he would rise to the highest rank in the British Army and Command in Chief of India. Engaged in the early campaigns of the British Army against the French forces from 1799, he was one of the few officers that fought in the Peninsular War and the Waterloo campaign, that actually had some staff training having passed through Staff College. Many of his contemporaries were somewhat amateur in their outlook to soldiering, but Gomm was a thoughtful and assiduously thorough officer. After the campaign in Portugal and Spain, first under Wellington and then under Sir John Moore, he managed to survive the Walcheren expedition and was then posted back to Spain where he would serve out the Peninsular war. Present at the battles of Busaco, Fuentes d'Oro, Salamanca, Vittoria, the Pyrenees, the Nive, the Nivelles and St Pierre, as well as the sieges of Ciudad Rodrigo and Badajoz, he was a lieutenant colonel by the time he left for England. This was a fairly rapid ascent for the time, a signal confirmation of his abilities as a staff and regimental officer and some influence at home, no doubt. Appointed to the post of Quartermaster General of Picton's fifth division, he was to see the furious combat of Quatre Bras and the hard pounding of Waterloo two days later. His position as an unattached staff officer gave him a view of the fields of battle from a position on horseback and with freedom of movement around the field that few could match. His contemporaneous notes and letters of Waterloo are annotated with his more considered thoughts and views, particularly regarding the crisis of Waterloo, the repulse of the last columns of the Garde Impériale. Author: Field Marshal Sir William Maynard Gomm G.C.B. 1784-1875. Editor: Francis Culling Carr. Gomm 1834-1919. Introduction: Francis Culling Carr. Gomm 1834-1919. Field Marshal the Earl of Cavan Michael Senior, 2023-06-30. Field Marshal Lord Cavan 1865-1946 was one of the most distinguished commanders of the modern British army, but he divided opinion among his contemporaries. Some senior soldiers were disdainful. Field Marshal Sir Henry Wilson described him as ignorant, pompous and vain, and Brigadier General Sir James Edward Edmonds commented that Cavan was bone from the neck upwards. Yet many of Cavan's subordinates praised him, saying, 'I had never seen Lord Cavan before and I was filled with admiration by the calm and quiet self-confidence of his manner and our new General Lord Cavan is simply A1 and the whole show runs like a well-oiled machine.' So what were the real qualities and achievements of this remarkable but hitherto neglected officer who in a long career served in the Boer War and the First World War and then presided over the post-war reduction of the British army? Michael Senior, in the first full biography of Cavan, assesses him as a leader, a corps commander and an administrator and places him among the front rank of the soldiers of his generation. He also explores Cavan's personal life, his personality and how his aristocratic background, his wealth and his love of fox hunting affected his conduct in both war and peace. France
