authorities on Islam is an introduction to three inseparable topics the life of Muhammad 570 632 CE the composition of the Koran and the birth of Islam While accessible to a general audience it will also be of great interest to specialists since it is the first English translation of Professor Nagel s attempt to summarize a lifetime of research on these topics The Introduction Chapters 1 2 and Appendix 1 provide essential historical background on the Arab tribal system and Muhammad s position within that system the political situation in pre Islamic Arabia the history of Mecca and pre Islamic Arabian religions Chapters 3 5 cover the beginnings of the revelations that Muhammad claimed to be receiving from Allah paying special attention to the influence on Muhammad of the hanifs a group of pre Islamic pagan monotheists attested in the earliest Islamic sources The hanifs claimed to trace their religion back to the putative original monotheism of Abraham from which they claimed Jews and Christians had deviated by among other things abandoning animal sacrifice Chapter 6 explains how Muhammad s religious message included a thinly veiled claim to have the right to political power over Mecca a claim that exacerbated tensions with his own clan and led eventually to his expulsion from Mecca as recounted in Chapter 7 Chapters 8 10 describe the impact of the hijra on the evolution of Islam Seeing himself as the true heir to Abraham and the prophets who followed him Muhammad would demand allegiance from Jews and Christians as recounted in Sura 2 and other Medinan suras He would initiate a war against Mecca not in self defense but in order to gain control over the Kaaba the central hanif shrine and the new qibla or direction of prayer for the Muslims The Muslim victory at the Battle of Badr in 624 would help to shape a new ideal of a militarized religiosity in which those who waged war under Muhammad s command would attain the rank of true believers while those converts who refused to make hijra and to fight for Muhammad were relegated to the lower rank of mere Muslims as Suras 8 and 49 make clear Muhammad s war against Mecca alienated many of his Medinan followers the ansar The refusal of the Jews to convert to Islam combined with the close connection of the Jews to the ansar led Muhammad to make war on the Jews as well as the Meccans The surrender of Mecca in 630 Chapter 11 did not lead to the end of war for the aggressiveness and military success of Muhammad s movement had made it attractive to a slew of new converts whose desire for booty had to be placated Sura 9 promulgated near the end of Muhammad s life served as a broad declaration of war against polytheists Jews and Christians Chapter 12 describes the evolution of Islam late in Muhammad s life into a religious warriors movement that sought to extend the rule of Islam over the entire inhabited world Chapter 13 covers the final pilgrimage and death of Muhammad while Chapters 14 20 describe the development of Islamic dogma surrounding the figure of Muhammad and its implications for politics in the Islamic world and interfaith relations with non Muslims up till the present day The book concludes with appendices in which Nagel summarizes the state of scholarship regarding the life of Muhammad Appendix 2 and the tensions between competing varieties of Muslim recollection of Muhammad Appendix 3 Muhammad s Mission Religion Politics and Power at the Birth of Islam is an erudite and authoritative guide to events of world historical importance by a scholar who has spent a lifetime mastering the primary sources

The Mecca Uprising Nasir al-Huzaimi, 2020-12-10. On 20th November 1979, the Salafi Group led by a charismatic figure named Juhaiman al-Utaibi seized control of the Sacred Mosque in Mecca, the holiest site in the Muslim World. The Salafi Group was not trying to establish an Islamic state. Instead, its members believed they were players in a prophetic script about the End of Time. After a two-week siege, the Saudi government recaptured the mosque, threw the survivors into prison, and had them publicly executed. *The Mecca Uprising* offers an insider's account of the religious subculture that incubated the Mecca Uprising, written by a former member of the Salafi Group. Nasir al-Huzaimi did not participate in the uprising but was arrested in a government sweep of Salafi Group members and spent six years in prison. In 2011, he published his memoir *Days with Juhaiman*, offering the most detailed picture we have of the Salafi Group and Juhaiman. *The Mecca Uprising* had profound effects on Saudi Arabia and the Muslim world. DC1 YG2 The Saudi government headed off opposition from religious activists and made efforts to buttress the ruling family's legitimacy as the guardians of Islam. Huzaimi's memoir sheds light on the background of this religious and political landscape and is the most detailed account we have of the Salafi Group and Juhaiman. The English edition is complete with an introduction and annotations prepared by expert David Commins to help readers understand the relevance of the Meccan Uprising. DC3 and how it fits into the history of the Islamic World. DC1 lower case Muslim world YG2 changed to author's suggestion. DC3 *Mecca Uprising*
