with God However according to the Carmelite priest about five percent of lay Catholics also experience this sensible grace of prayer in their everyday lives In this book the author sets forth his experience with and understanding of the tingling grace According to him the tingling grace is as an actual grace of sensible consolation given by God to encourage the performance of salvific and salutary acts such as vocal and mental prayer frequenting the sacraments spiritual reading works of mercy and the discernment of one's vocation in Christ In addition he contends that the tingling grace is also an inherited remnant of the preternatural gifts of Adam before The Fall He is publishing the book to testify and or witness to the participation in and guidance of God i e The Good Shepherd in the spiritual journeys of lay religious and clerical Catholics Finally this book is part of the author's lay apostolate of Roman Catholic witness as well as the author's response to and promotion of the Church's universal call to holiness Lumen Gentium and the new evangelization Novo Millennio Ineunte in the electronically and globally connected virtual world of the Internet All of his books are also available in the Amazon Kindle Store worldwide
