My Dear Bessie A Love Story In Letters:

My Dear Bessie Chris Barker, Bessie Moore, 2015-02-05 AS HEARD ON RADIO 4 Utterly wonderful NINA STIBBE author of Love Nina Twenty hours have gone since I last wrote I have been thinking of you I shall think of you until I post this and until you get it Can you feel as you read these words that I am thinking of you now aglow alive alert at the thought that you are in the same world and by some strange chance loving me In September 1943 Chris Barker was serving as a signaller in North Africa when he decided to brighten the long days of war by writing to old friends One of these was Bessie Moore a former work colleague The unexpected warmth of Bessie's reply changed their lives forever Crossing continents and years their funny affectionate and intensely personal letters are a remarkable portrait of a love played out against the backdrop of the Second World War Above all their story is a stirring example of the power of letters to transform ordinary lives Living More Human(e)ly? Rebecca Leong, 2025-04-22 Does it really matter who one chooses to marry and how one makes a choice as to who to marry or is it basically true that you always marry the wrong person Was Jane Austen right in her portrayals of couples marrying for love for comfort or for both What about arranged marriages Does the one exist How about soulmates Will getting involved in casual sex or hook up culture affect one's chances of eventually realizing happy lifelong monogamy Are promoters of purity culture basically right that their approach will help lead to happy lasting marriages Can there be a way forward through the culture wars Are dating apps any good Virtue ethics is sometimes drawn upon for a dependable approach to couple relationships But what does this approach consist of and which virtues as there are potentially very many should one focus on particularly when navigating dating culture in contemporary contexts What light might theology history and the human sciences including sociology and psychology shed on these matters Rebecca Leong offers findings from wide ranging interdisciplinary studies that address these questions and more in the process developing a five fold ethic and further building blocks for better approaches to dating in contemporary contexts **Love Letters: The Romance of Arthur and Lilly** Carol Roe, a Granddaughter, 2021-10-15 Love Letters is a concise description of the contents of these letters Arthur is in love with Lilly and is separated from her The letters allow him the opportunity to share with her his love his hopes and his dreams **The Miz Maze; Or, The Winkworth Puzzle. daughters and self righteous mothers that critic Louise Westling sees so often in O Connor s work *Letters to Virginia*
