

# My Big, Fat, Wonderfully, Wealthy Life

This is a comprehensive document that serves as a single source resource for information that was captured from the information forums, blogs and websites dedicated to educating Dinarians about how to handle new wealth. As stated on all sites, this for informational purposes only. It is highly recommended that EVERYONE seeks local professional, licensed advisers to suit your needs.

I have no personal claim on any of the information presented. It is not my intellectual property. I only collected what was already posted by others and put it in a manual in what I believe to be a logical, easy to read and understand format. You have my permission to send, post, and duplicate the document as you see fit. **This book is not to be sold. We are millionaires; the hustle is over!**

*With all of the research that has been done and provided, I'm still curious about what the already wealthy do with their money. Surely the ridiculously wealthy like The Rockefellers, The Trumps, The Michael Jordans and the Tyler Perrys of the world don't have accounts at so many banks and aren't worried with all the things that we are fretting over! I hope we're not making much ado about nothing!*

*Welcome to the land of the wealthy.*

## **My Big Fat Wonderfully Wealth Life:**

*Summary of Mike Rothschild's The Storm Is Upon Us* Everest Media, 2022-10-07T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 Q is a cryptic figure claiming to be a military intelligence officer who posts purposely vague and cryptic messages on imageboards about an upcoming great purge of the deep state It has a cult like following and is a conspiracy theory but it also touches on aspects of cultic movements new religions Internet scams and political doctrine 2 QAnon is a conspiracy theory that claims to be a military intelligence operation that posts cryptic messages about a coming great purge of the deep state It has a cult like following and its vague predictive premise makes it more resilient and flexible than you might expect 3 The New Ruling Cabal has decided to leave their posts here in the open for all to see They will be held accountable for their treasonous activities This is just a small portion of the drop that appears on pol every day QAnon is a conspiracy theory that claims to be a military intelligence operation It posts cryptic messages about a coming great purge of the deep state and its followers are devoted to decoding them and proving them right 4 The New Ruling Cabal has decided to leave their posts public so that they can't hide behind anything they've done

The Storm Is Upon Us Mike Rothschild, 2021-06-22 I hope everyone reads this book It has become such a crucial thing for all of us to understand Erin Burnett CNN An ideal tour guide for your journey into the depths of the rabbit hole that is QAnon It even shows you a glimmer of light at the exit Cullen Hoback director of HBO's Q Into the Storm Its messaging can seem cryptic even nonsensical yet for tens of thousands of people it explains everything What is QAnon where did it come from and is the Capitol insurgency a sign of where it's going next On October 5th 2017 President Trump made a cryptic remark in the State Dining Room at a gathering of military officials He said it felt like the calm before the storm then refused to elaborate as puzzled journalists asked him to explain But on the infamous message boards of 4chan a mysterious poster going by Q Clearance Patriot who claimed to be in military intelligence began the elaboration on their own In the days that followed Q's wild yarn explaining Trump's remarks began to rival the sinister intricacies of a Tom Clancy novel while satisfying the deepest desires of MAGA America But did any of what Q predicted come to pass No Did that stop people from clinging to every word they were reading expanding its mythology and promoting it wider and wider No Why not Who were these rapt listeners How do they reconcile their worldview with the America they see around them Why do their numbers keep growing Mike Rothschild a journalist specializing in conspiracy theories has been collecting their stories for years and through interviews with QAnon converts apostates and victims as well as psychologists sociologists and academics he is uniquely equipped to explain the movement and its followers In *The Storm Is Upon Us* he takes readers from the background conspiracies and cults that fed the Q phenomenon to its embrace by right wing media and Donald Trump through the rending of families as loved ones became addicted to Q's increasingly violent rhetoric to the storming of the Capitol and on And as the phenomenon shows no sign of calming despite Trump's loss of the presidency with everyone from Baby Boomers to Millennial

moms proving susceptible to its messaging and politicians starting to openly espouse its ideology Rothschild makes a compelling case that mocking the seeming madness of QAnon will get us nowhere Rather his impassioned reportage makes clear it s time to figure out what QAnon really is because QAnon and its relentlessly dark theory of everything isn t done yet
