Elsewhere A Memoir:

Elsewhere Richard Russo, 2012-10-30 NATIONAL BESTSELLER The Pulitzer Prize winning author of *Empire Falls* turns to memoir in this intimate and powerful account Chicago Tribune of his lifelong bond with his high strung spirited mother and the small town she spent her life trying to escape Anyone familiar with Russo's novels will recognize Gloversville once famous for producing nine out of ten dress gloves in the United States By the time Rick was born ladies had stopped wearing gloves and Gloversville was on its way out Jean Russo instilled in her son her dream of a better life elsewhere a dream that prompted her to follow him across the country when he went to college Their adventures and tribulations on that road trip were a preview of the hold his mother would continue to have on him as she kept trying desperately to change her life Recounted with a clear eyed mix of regret nostalgia and love *Elsewhere* is a stirring tribute to the tenacious grip of the past Look for Richard Russo's new book *Somebody's Fool* coming soon

Elsewhere Julia Schueler, 1999-05-01 Home has always been elsewhere packed in a bag and that is pretty much the story of my life Like a gale at her back history propelled Julia Israel Schueler early in life on a westward course She was born in Moscow in 1923 and at the age of three months was exiled with her parents and other Mensheviks to Berlin Twice more The Group was displaced to Paris in 1933 as Adolf Hitler intensified the persecution of political opponents and to the United States via Spain and Lisbon when he invaded France in 1940 *Elsewhere* is Schueler's life memoir an adventure coming of age and coming to America story all in one Against the gripping backdrop of major twentieth century events she tells in lyrical prose her remarkable personal tale of immigration and acculturation and the ongoing search for an elusive home elsewhere Schueler revisits memories of school days in Germany streets blood stained from an early version of Kristallnacht and the admonishment You saw nothing nostalgia for socialist songs of youth reading banned books by Balzac and Zola a wardrobe of cast off made over clothes the shock of seeing Paris in blackout scenes of civil war ravaged Spain tears of guilt in Times Square on New Year's Eve 1940 and much more She introduces a parade of intriguing individuals including her imaginative romantic schoolmate Vivi the niece of Leon Trotsky Mr Wittenberg a close family acquaintance who spoke Esperanto Dina the daring young friend who ran away to become a model for the sculptor Aristide Maillol and refugees from Stalinist gulags and German concentration camps With touching and comic nuance she conveys the ties that bind language to survival identity experience and social acceptance and condemnation She recalls the weeping and fist shaking amid mysterious Russian in her family's kitchen her heartbroken whispers in forbidden German to her teddy bear and her resolve during the voyage to America to act as French ambassador to the New World She gives a delectable recounting of her first day of school in Paris the nasal vowels and swallowed consonants of the strange language flowing over her in a bath of bewilderment As associations prompt her Schueler breaks off the thread of her narrative to ponder later events for example visiting her married daughter in Morocco trips to Russia and China and breast cancer's lessons in both the curtailment and deepening of vitality Thus in aptly wandering style she

comes full circle in her telling often closing the gaps in early recollections with insights gained years afterward Elsewhere will draw readers into a delightful intimacy with the author as they follow her suspenseful passage from impressionable childhood through vibrant youth to graceful maturity to finding home at last in New Orleans

The Road to Elsewhere David Gregor, 2025-03 Every life contains moments that impact the trajectory of who we become In The Road to Elsewhere David Gregor revisits decisive moments that shaped his creative life These stories and vignettes of love loss and illumination range in length from a sentence to a few pages Together they create a patchwork portrait revealing the power of the smallest gestures to exact meaningful change in a life The stories are told in the zigzag way our memories appear randomly without design yet with a purpose Our stories help us reflect on how we got from there to here and how to move forward The Road to Elsewhere is an honest and sharply observed memoir illustrating that Reaching back can move you forward Acknowledging small moments can lead to big changes Embracing loss can lead to discovery The Road to Elsewhere is more than a memoir it is a love letter to memory and the meaning found in life's little moments

to learn what this identity means in a new country Like all teens Abdelmahmoud spent his adolescence trying to figure out who he was but he had to do it while learning to balance a new racial identity and all the false assumptions that came with it Abdelmahmoud learned to fit in and eventually became every liberal white dad s favorite person in the room But after many years spent trying on different personalities he now must face the parts of himself he s kept suppressed all this time He asks What happens when those identities stage a jailbreak In his debut collection of essays Abdelmahmoud gives full voice to each and every one of these conflicting selves Whether reflecting on how The O C taught him about falling in love why watching wrestling allowed him to reinvent himself or what it was like being a Muslim teen in the aftermath of 9 11 Abdelmahmoud explores how our experiences and our environments help us in the continuing task of defining who we truly are With the perfect balance of relatable humor and intellectual ferocity *Son of Elsewhere* confronts what we know about ourselves and most important what we re still learning
