communist and fascist visions of the modern world twentieth century Prague witnessed revolutions and invasions national liberation and ethnic cleansing the Holocaust show trials and snuffed out dreams of socialism with a human face Yet between the wars when Prague was the capital of Europe's most easterly parliamentary democracy it was also a hotbed of artistic and architectural modernism and a center of surrealism second only to Paris Focusing on these years Sayer explores Prague's spectacular modern buildings monuments paintings books films operas exhibitions and much more A place where the utopian fantasies of the century repeatedly unraveled Prague was tailor made for surrealist Andr Breton's black humor and Sayer discusses the way the city produced unrivaled connoisseurs of grim comedy from Franz Kafka and Jaroslav Hasek to Milan Kundera and Vclav Havel A masterful and unforgettable account of a city where an idling flaneur could just as easily be a secret policeman this book vividly shows why Prague can teach us so much about the twentieth century and what made us who we are

**Postcards from Absurdistan** Derek Sayer, 2022-11-22 A sweeping history of a twentieth century Prague torn between fascism communism and democracy with lessons for a world again threatened by dictatorship Postcards from Absurdistan is a cultural and political history of Prague from 1938 when the Nazis destroyed Czechoslovakia's artistically vibrant liberal democracy to 1989 when the country's socialist regime collapsed after more than four decades of communist dictatorship Derek Sayer shows that Prague's twentieth century far from being a story of inexorable progress toward some end of history whether fascist communist or democratic was a tragicomedy of recurring nightmares played out in a land Czech dissidents dubbed Absurdistan Situated in the eye of the storms that shaped the modern world Prague holds up an unsettling mirror to the absurdities and dangers of our own times In a brilliant narrative Sayer weaves a vivid montage of the lives of individual Praguers poets and politicians architects and athletes journalists and filmmakers artists musicians and comedians caught up in the crosscurrents of the turbulent half century following the Nazi invasion This is the territory of the ideologist the collaborator the informer the apparatchik the dissident the outsider the torturer and the refugee not to mention the innocent bystander who is always looking the other way and Vclav Havel's greengrocer whose knowing complicity allows the show to go on Over and over Prague exposes modernity's dreamworlds of progress as confections of kitsch In a time when democracy is once again under global assault Postcards from Absurdistan is an unforgettable portrait of a city that illuminates the predicaments of the modern world
