The Parliamentary Debates (official Report). Great Britain. Parliament. House of Commons,1911 Contains the 4th session of the 28th Parliament through the 1st session of the 48th Parliament *Philosophical Perspectives on Land Reform in Southern Africa* Erasmus Masitera,2020-11-27 This edited collection explores a variety of philosophical perspectives on land reform in Southern Africa Presenting an innovative focus on the philosophical themes in land reform the contributors reflect on traditional African conceptualisations of the land as well as Western interpretations introducing specifically Southern African approaches to a wide range of debates Rooted in questions of colonization and decolonization the chapters examine what reform ought to do for the people of Africa providing contemporary reflections on the different racial and cultural facets of the land Notably ideas of reconciliation compensation justice development emancipation Ubuntu and empowerment are explored Vigorous and interdisciplinary in their approach the fifteen original chapters tackle a range of questions such as What does land mean in Africa What ethical considerations are relevant Which mechanisms should be used in addressing injustice regarding land reform and redistribution Providing a comprehensive engagement with philosophical and political issues of land reform in Southern Africa this volume is an invaluable resource to scholars not only in Africa but wherever similar questions of land dispossession and justice arise **The Southwestern Reporter** ,1922 **Land Reform in Russia** Stephen K. Wegren,2009-11-24 This ambitious work is the definitive account of Russia s land reform initiatives from the late 1980s to today In Russia a country controlling more land than any other nation land ownership is central to structures of power class division and agricultural production The aim of Russian land reform for the past thirty years to undo the collectivization of the Soviet era and encourage public ownership has been largely unsuccessful To understand this failure Stephen Wegren examines contemporary land reform policies in terms of legislation institutional structure and human behavior Using extensive survey data he analyzes household behaviors in regard to land ownership and usage based on socioeconomic status family size demographic distribution and regional differences Wegren s study is important and timely as Russian land reform will have a profound effect on Russia s ability to compete in an era of globalization **Official Gazette** Philippines,1984 **The Westminster Review** ,1881 Western Land Owner ,1874
