20 Secrets to Success for NCAA Student-Athletes Rick Burton, Jake

Hirshman, Norm O'Reilly, Andy Dolich, Heather Lawrence, 2021-07-23 The premier NCAA student athlete handbook now in a second updated edition designed for today's competitive market and with a new chapter on name, image, and likeness (NIL) rights. Few student athletes dreaming of athletic stardom ever make it to the pros. Yet the discipline and skills they've developed while balancing a sport and academics make them ideally suited for satisfying careers elsewhere. The book's authors draw on personal experience, interviews, expert opinion, and industry data to provide a game plan for student athletes to help them transition from high school to college, navigate evolving rules about NIL rights, and find success in life after college. Modeled after Stephen Covey's *The 7 Habits of Highly Effective People*, this expanded and updated guide provides a much-needed strategy for student athletes as they prepare for postcollege careers while serving as a valuable resource for their parents, coaches, and sports administrators across the country.

Momfluenced Sara Petersen, 2023-04-25

How momfluencer culture impacts women psychologically as consumers, as performers of their stories, and as mothers. On Instagram, the private work of mothering is turned into a public performance, generating billions of dollars. The message is simple: we're all just a couple of clicks away from a better, more beautiful experience of motherhood. Linen-clad momfluencers hawk essential oils, parenting manuals, baby slings, and sponsored content for Away suitcases. Make us want to forget that the reality of mothering in America is an isolating, exhausting, almost wholly unsupported endeavor. In a culture which denies mothers basic human rights, it feels good to click, purchase, now, on whatever a momfluencer might be selling. It feels good to hope. Momfluencers are just like us, except they aren't. They are mothers, yes. They are also marketing strategists, content creators, lighting experts, advertising executives, and artists. They are businesswomen. The most successful momfluencers offer content that differs very little from what we used to find in glossy women's magazines like *Glamour* and *Real Simple*: only they're churning it out daily, and that content is their lives. We flock to momfluencers to learn about fashion, wellness, parenting, politics, and to find Brooklyn-designed crib sheets printed with radishes. Chances are, if you're a mother reading this, and maybe even if you're not, you are an arm's length away from something you've purchased because a momfluencer made it look good. Drawing on her own fraught relationship to momfluencer culture, Sara Petersen incorporates pop culture analysis and interviews with prominent momfluencers and experts, psychologists, academics, technologists, to explore the glorification of the ideal mama online, with both humor and empathy. At home on a bookshelf with Lyz Lenz's *Belabored* and Jia Tolentino's *Trick Mirror*, *Momfluenced* argues that momfluencers don't simply sell mothers on the benefits of bamboo diapers; they sell us the dream of motherhood itself, a dream tangled up in whiteness, capitalism, and the heteronormative nuclear family. *Momfluenced* considers what it means to define motherhood for ourselves when society is determined to define motherhood.
