sure isn't going to start now. As Suzanne and Zack grow closer, they both realize they're in this thing more deeply than they ever thought, and it's started to cause tension in their small, close-knit community too. Will Zack be able to commit this time, and will Suzanne be able to trust him? One thing is certain: come spring, the lives and loves of Summer Island will never be the same.

The One Who Stays Toni Blake, 2019-07-30 Lose your heart to Summer Island where summers are easy, winters are cozy, and friends welcome you with open arms. Summer Island has always been home to Meg Sloan. She runs the Summerbrook Inn like her grandmother did, and she loves the laid-back pace of life and the close-knit community the island offers. Meg also loves Zack Sheppard, but what she doesn't love is Zack's refusal to commit to an exclusive relationship. Seth Darden arrives on Summer Island in search of summer work, but also in search of something else: his past. There are secrets buried at the Summerbrook Inn, secrets that forged the path of Seth's life. But he wasn't counting on falling for the lovely innkeeper Meg. When Meg meets Seth, she can't ignore the sparks that fly between them, even though she feels like her heart has been torn in half. But if Zack won't commit, should she take the leap with Seth? And can she even have a future with him if he can't reckon with his past?

A Summer to Remember Toni Blake, 2019-07-01 It's the perfect season on Summer Island: the time for beaches, ice cream, bike rides, and second chances. Trent Fordham thought he'd left Summer Island behind for good. But when he inherits his parents' vacation home, the one he'd assumed was sold long ago, he finds himself stepping right back into his past. Allie Hobbs is having a quiet afternoon in her cottage when a sudden storm leads a stranded cyclist to her front door. She's expecting anyone but Trent Fordham, the man who broke her heart eight years ago and left her to pick up the pieces. And even more shocking: He claims she broke his heart. Trent has responsibilities on the mainland, but the more time he spends on the island, the more he feels compelled to stay. And then there's Allie. Does she belong in a past left buried, or will this be the summer everything changes?
