**The Backdoor Billionaire's Bride** Roz Lee,2016-04-06 Ford Adams had led a charmed life but if he doesn't figure out how to make the equivalent of a silk purse out of a sow's ear and sell a boat load of them he and his mother might find themselves flipping burgers. Determined not to let that happen he'll need all the help he can get especially from his sexy new business partner. If he can get her to take a chance on his crazy new idea then maybe he can convince her to take a chance on him. Becky Jean Parker's life has been anything but what she'd imagined it would be but she'd been content until a recent turn of events once again left her no choice. Unless she wants to wallow in bankruptcy for the rest of her life she'll have to go along with her new business partner's insane plan and pray he knows what he's talking about. The only thing more insane than Ford's plan to sell sex toys is her attraction to him. Typical of her life she'd had no choice but to fall for the one man she can't have.

The honeymoon was barely over when Megan had a miscarriage and the scales fell from her eyes: she was trapped in a convenient marriage and James expected her to conceive again soon. She should have demanded a divorce but Megan was facing the uncomfortable truth she'd fallen in love with her ruthless husband.

She'd already enchanted Zane's daughter and now she was working her magic on the wary widower. Talk about getting the royal treatment. The minute Melanie met father and daughter it was instant love. But her Cinderella story came with a secret one she could never reveal or she'd lose her chance to be part of a real family. Unless Zane was willing to forgive the past for a future with her.

*The Billionaire's Bride of Convenience* Miranda Lee,2009-09-18 Kathryn thought she knew Hugh Parkinson: a charming, rakish playboy who was used to women being served to him on a plate. In his eyes she was just his utterly efficient, slightly uptight assistant. Until she nearly lost the thing that mattered most to her and unexpectedly Hugh was there to help. He was prepared to marry her. But the catch: Hugh wanted this convenient marriage to keep Kathryn not only as his trusty assistant but also to warm his bed.

What will it take to convince Roseanne his home is where his heart is? Roseanne Meadows knew better than to fall in love with a Yankee carpetbagger but it's too late now. What's done is done and the sooner Scott Ramsey packs up his toys and goes home to his venomous family

The last thing billionaire Ricardo Almanza wants is to be married. Unfortunately, the notorious playboy needs a wife before he's thirty, and time is running out. His stepmother's sexy, debt-ridden personal assistant seems like the perfect solution, so he makes her a business deal: she can't refuse one million euros for three months as his wife. He might even enjoy being married to Helen, providing he can convince her not to kick him somewhere painful again. Helen Marshall can't believe Ricardo's outrageous proposal or that she's considering it, but she must help clear her parents' debts or her family faces financial ruin. The small print on the marriage contract states they'll be husband and wife for three months in every way, including in the bedroom. But there's nothing in the contract about falling in love or what they do when the three months is up and they want to negotiate a clause binding them forever.
