Historical Tradition In The Fourth Gospel By C H Dodd:

Historical Tradition in the Fourth Gospel C. H. Dodd, 1976-09-23 An historical investigation of the narrative material and Sayings of St John's Gospel *Historical tradition in the fourth gospel* Charles H. Dodd, 1963 Historical Tradition in the Fourth Gospel Charles Harold Dodd, 1965 The Fourth Gospel and the Manufacture of Minds in Ancient Historiography, Biography, Romance, and Drama Tyler Smith, 2019-03-27 The Fourth Gospel and the Manufacture of Minds in Ancient Historiography Biography Romance and Drama is the first book length study of genre and character cognition in the Gospel of John Informed by traditions of ancient literary criticism and the emerging discipline of cognitive narratology Tyler Smith argues that narrative genres have generalizable patterns for representing cognitive material and that this has profound implications for how readers make sense of cognitive content woven into the narratives they encounter After investigating conventions for representing cognition in ancient historiography biography romance and drama Smith offers an original account of how these conventions illuminate the Johannine narrative's enigmatic cognitive dimension a rich tapestry of love and hate belief and disbelief recognition and misrecognition understanding and misunderstanding knowledge ignorance desire and motivation *The Christology of the Fourth Gospel* Paul N. Anderson, 1996 Raymond Brown, 'The Jews,' and the Gospel of John Sonya Shetty Cronin, 2015-02-26 Until the mid 1960s most commentators of the Gospel of John were aware of a polemic against the Jews yet they did not consider it with reference to contemporary ethical discussion A shift in focus in Johannine scholarship is noticeable from the mid 1960s and 1970s to the present where commentators began to connect the Gospel's polemic against the Jews with potential anti Judaism in the text As yet very little work has been done to answer the question of how this change in sensitivity came about This book is a historiography of one scholar's growing awareness of potential anti Judaism in the Gospel of John with the intention of using this individual history to explain the larger trend in biblical studies Sonya Cronin examines the published work of Raymond Brown a prominent Catholic New Testament scholar between the years 1960 1998 The book contextualizes Brown's work by evaluating the impact of ecclesiastical statements and the influence of earlier and contemporary Johannine scholarship on Brown's biblical interpretation and then posits theories as to why change occurs at specific times **The Fourth Gospel in Four Dimensions** D. Moody Smith, Jr., 2021-04-28 Compelling perspectives on the Gospel of John from a premiere scholar of the subject This multidimensional volume from the leading American scholar of Johannine studies brings together D Moody Smith's germinal works from the past two decades along with some original articles published here for the first time The resulting collection augments current understanding of the Gospel of John with fresh insights and research and points the way toward opportunities for new inquiry The collection is structured around four focal issues that define contemporary studies of John In the first section Smith places the book within its Jewish milieu attempting to account for the tension between the work's seeming anti Jewishness and its familiarity with Jewish life and thought Next Smith engages the

relationship between John and the historical figure of Jesus especially the extent to which John's representation of Jesus reflects knowledge of independent traditions as well as the self-consciousness of his own community The third section examines John's account against the Synoptic Gospels assessing the evidence of John's access to an independent record of the passion and the possibility that John adopted the gospel genre from Mark Finally Smith explores how the Gospels and especially that of John evolved into scripture and how they have come to be interpreted in conjunction with one another

The Gospel of John in Modern Interpretation Stanley E. Porter, Ron C. Fay, 2018-10-30 The Gospel of John in Modern Interpretation provides a unique look at the lives and work of eight interpreters who have significantly influenced Johannine studies over the last two centuries The chapters contain short biographical sketches of the scholars that illuminate their personal and academic lives followed by summaries and evaluations of their major works and concluding with an analysis of the ongoing relevance of their work in contemporary Johannine scholarship Key thinkers surveyed include C H Dodd Rudolph Bultmann Raymond Brown Leon Morris and R Alan Culpepper An introduction and conclusion by general editors Stanley Porter and Ron Fay trace the development of Johannine scholarship from F C Baur to the present and examine how these eight scholars' contributions to Johannine studies have shaped the field Anyone interested in the recent history of the study of John will find this volume indispensable

John Warren Carter, 2006-06-01 The Final Volume in a Well Received Gospel Study John Storyteller Interpreter Evangelist is an accessible introduction to the Fourth Gospel This book examines three aspects of John's Gospel John's telling of the story of Jesus his interpretation of Jesus for his readers and his formulation of all of this into the Gospel of Jesus Carter surveys the central issues of this Gospel and engages with narrative and historical approaches the two dominant methods used in interpreting John's Gospel In addition he introduces his readers to a consideration of the Gospel's negotiation of the Roman imperial world This book is written for college and seminary students clergy seeking resources for teaching and preaching and the laity especially Bible study groups who like to engage a topic in some depth

Matthew 1-7 W. D. Davies, Dale C. Allison, Jr., 2004-06-15 For over one hundred years the International Critical Commentary series has held a special place among works on the Bible It has sought to bring together all the relevant aids to exegesis linguistic and textual no less than archaeological historical literary and theological with a level of comprehension and quality of scholarship unmatched by any other series No attempt has been made to secure a uniform theological or critical approach to the biblical text contributors have been invited for their scholarly distinction not for their adherence to any one school of thought The first paperback editions to be published cover the heart of the New Testament providing a wealth of information and research in accessible and attractive format

The Epistemological Basis for Belief according to John's Gospel David A. Redelings, 2011-09-23 This book a revision of the author's dissertation describes the grounds on which knowledge about God is possible according to the Gospel of John In response to modern questions and doubts about the possibility of religious knowledge John's answers are identified and illuminated using

standard historical method A major part of this investigation is spent showing that for readers of all persuasions it is clear that certain parts of John's Gospel were never intended as either fiction or metaphor From these parts the basis on which John thinks that people can have religious knowledge is inferred and described Johannine Christology Stanley E. Porter, Andrew W. Pitts, 2020-07-13 Johannine Christology provides a snapshot of the foremost investigations of this important topic by a selection of scholars representing a range of expertise in this field The volume is organized into four major parts which are concerned with the formation of Johannine Christology Johannine Christology in Hellenistic and Jewish contexts Christology and the literary character of the Johannine writings and the application of Christology for the Johannine audience and beyond The fifteen contributors to this volume comprise an international set of Johannine scholars who explore various ways of both describing and then pursuing the implications of Johannine Christology Their contributions focus primarily upon the Gospel but involve other key texts as well What John Knew and What John Wrote Wendy E.S. North, 2020-07-22 This book investigates whether or not the author of John could have crafted his Gospel with knowledge of the Synoptics By comparing John's reuse of material in the Gospel and the Jewish Scriptures with passages in the Synoptic record Wendy E S North concludes that John wrote his gospel with knowledge of the Synoptic texts at certain points

Prophecy in Early Christianity and the Ancient Mediterranean World David E. Aune, 2003-08-12 Aune's comprehensive study of early Christian prophecy includes a review of its antecedents Greco Roman oracles ancient Israelite prophecy prophecy in early Judaism a discussion of Jesus as prophet and analyses of Christian prophetic speeches from Paul to the middle of the second century A D The most detailed study of early Christian prophecy written Aune's book places the phenomenon of early Christian prophecy within the larger Greco Roman world Exploring the Gospel of John Dwight Moody Smith, R. Alan Culpepper, Carl Clifton Black, 1996-01-01 Every aspect of the study of John is represented in this book including the historical origins of the Johannine community the religious traditions in the gospel within and beyond early Christianity the Fourth Gospel's literary dimensions and theological concerns and the distinctive challenges presented by the Gospel's interpretation **Gospel According to St John** Andrew Lincoln, 2005-11-25 The magnificent series of biblical commentaries known as Black's New Testament Commentaries BNTC under the General Editorship of Professor Morna Hooker has had a gap for far too long it has lacked an up to date commentary on the Fourth Gospel Professor Andrew Lincoln now fills this gap with his excellent new commentary The key questions for scholars are gone into thoroughly questions of historicity the use of historical traditions and sources relationship to the Synoptics authorship setting first readers and Professor Lincoln makes his own position on these issues abundantly clear The Fourth Gospel raises a number of problems generally known as The Johannine Question According to tradition the Gospel was written by St John the Apostle The authenticity of the tradition is examined in the introduction but the textual issues are examined within the commentary itself For example one problem is that Chapters 15 and 16 seem in early versions to have preceded chapter 14 Chapter 21 must

have been a later addition The purpose of the Gospel as stated in Chapter 20 v 31 is to strengthen the reader's faith in Jesus as the Christ and the Son of God But even the celebrated prologue has given rise to much speculation whereas most commentators believe it is the key to the Gospel as a whole These issues are meat and drink to scholars but in Professor Lincoln's expert hands they are extremely interesting and highly pertinent to our contemporary understanding of the Gospel

Jesus as Mirrored in John James H. Charlesworth, 2018-12-13 James H Charlesworth begins from a burgeoning point of scholarly consensus More and more scholars are coming to recognize that the Fourth Gospel is more historically complex than previously thought Charlesworth outlines two historical horizons within John On the one hand there is the Jewish background to the text complete with the evangelist's knowledge of Palestinian geography and Jewish customs which Charlesworth perceives as offering a window into pre 70 Palestinian Judaism On the other hand the gospel also reflects a post 70 world in which non believing Jews with more unity begin to part definitely with those who identified Jesus as the Messiah Split into four sections this volume first examines the origins of the Fourth Gospel its evolution in several editions and its setting in Judea and Galilee Charlesworth then looks specifically at the figure of Jesus and issues of history He proceeds to consider this Gospel alongside earlier and contemporaneous Jewish literature most notably the Dead Sea Scrolls Finally the volume engages with John's symbolism and language looking closely at key aspects in which John differs from the Synoptic Gospels and raising such provocative questions as whether or not it is possible that Jesus married Mary Magdalene From one of the New Testament's most noted scholars this book allows deeper understanding of the ways in which the Gospel of John is a vital resource for understanding both the origin of Christianity and Jesus position in history *John's Transformation of Mark* Eve-Marie Becker, Helen K. Bond, Catrin H. Williams, 2021-02-25 John's Transformation of Mark brings together a cast of internationally recognised biblical scholars to investigate the relationship between the gospels of Mark and John In a significant break with the prevailing view that the two gospels represent independent traditions the contributors all argue that John both knew and used the earlier gospel Drawing on recent analytical categories such as social memory secondary orality or relecture and ancient literary genres such as rewritten Bible and bioi the central questions that drive this volume focus on how John used Mark whether we should speak of dependence familiarity with or reception and whether John intended his work to be a supplement or a replacement of Mark Together these chapters mount a strong case for a reassessment of one of the key tenets of modern biblical criticism and open up significant new avenues for further research *Peter Geach: Philosophical Encounters* H.A. Lewis, 2013-03-09 The present volume owes its existence to a proposal of Dr Esa Saarinen Our aim was to celebrate the work of a living philosopher by presenting it both from his own point of view through the medium of a philosophical autobiography and from that of his closest philosophical colleagues and adversaries We felt that a philosophical career lived through vigorous controversy was best reflected not by adulation but in the spirit of that career by open debate Contributors were not constrained in their choice of topic but their contributions fell

naturally into groups linked with some of Peter Geach's principal areas of interest and we have so grouped them in the book. There is an interweaving of biographical and philosophical themes not only in Peter Geach's philosophical autobiography but also in the introductions he has contributed to each section. Professor W V O Quine's contribution which consists of extracts from his correspondence with Peter Geach has been set apart as it forms a natural bridge between Peter Geach's autobiography and the contributions that follow. Their correspondence reproduced here throws new light on many familiar themes from the writings of both philosophers among them the objects of belief and other attitudes issues in set theory the nature of causality and evolution in epistemology.

The Usefulness of Scripture Daniel Castelo, Sara M. Koenig, David R. Nienhuis, 2018-05-04 Robert Wall began his teaching career at Seattle Pacific University in 1978. Now forty years later and in celebration of his seventieth birthday, colleagues and former students have gathered to produce this volume in honor of their friend and teacher. The results are sure to delight all of those who have studied under or been friends of Professor Wall. The essays are grouped under two general themes: theology and methodology with an emphasis on Wesleyan biblical hermeneutics, canonical perspectives and the implications of these approaches for church life and work and biblical texts themes especially with a view to the relationship of the study of Scripture to the life of the Christian. In both of these areas the contributions bear in mind Wall's conviction that academic study and spiritual life need not in fact should not be kept apart. The contributors to this volume include Frank Anthony Spina, Andrew Knapp, Shannon Nicole Smythe, Daniel Castelo, Anthony B. Robinson, Eugene E. Lemcio, Sara M. Koenig, Jack Levison, Laura C. S. Holmes, John Painter and Stephen E. Fowl.
