

The question is marked out of 10 for Reading and 15 for Writing.

Use the following table to give a mark out of 10 for Reading.

Band 1	9–10	Gives a thorough, perceptive, convincing response; creates a soundly structured argument. Reads effectively between the lines. Develops the reading material and integrates it into the response to the task.
Band 2	7–8	Some evidence of evaluation, engaging with a few of the main points with success. Uses reading material to support the argument. Occasionally effective development of some of the ideas in the material.
Band 3	5–6	Reproduces a number of points to make a satisfactory response. The response covers the material adequately, but may miss opportunities to develop it relevantly or at length.
Band 4	3–4	Selects points from the passage rather literally and/or uses material thinly. Does not combine points into a connected response.
Band 5	1–2	Parts of the response are relevant, though material may be repeated or used inappropriately.
Band 6	0	Response does not relate to question and/or too much unselective copying directly from the material to gain a mark in Band 5.

Use the following table to give a mark out of 15 for Writing.

Band 1	13–15	Consistent sense of audience; persuasive style; fit for purpose. Fluent, varied sentences; wide range of vocabulary. Strong sense of structure, paragraphing and sequence. Virtually no error.
Band 2	10–12	Sense of audience mostly secure; quite stylish and quite fluent; sense of overall structure; mostly well-sequenced; arguments occasionally well developed. Writing is mainly accurate; sentences and language effective.
Band 3	8–9	Occasional sense of audience; mostly written in accurate, if fairly straightforward sentence structures; some persuasion, though not strong; mostly quite well structured; errors minor; vocabulary straightforward but adequate for task.
Band 4	5–7	Appropriate if sometimes inconsistent style; sentences mainly accurate; more fact rather than argument; basic structure; fairly frequent, minor errors, perhaps including sentence separation; sentences and/or vocabulary simple.
Band 5	3–4	Functional expression; largely factual with little/no argument; response not always well sequenced; some serious errors in grammar/punctuation/use of vocabulary.
Band 6	1–2	Language and style not clear; some blurring and lacking in order; despite some serious errors, gist can mainly be followed. Faulty sentence construction.
Band 7	0	Inaccuracies and problems with language and grammar are too serious to gain a mark in Band 6.
