

the secret to **BEING ASSERTIVE** at work

Joining a new organisation or starting a different role at work? Want to come across confidently and make the very best start?

To deal with challenging people and situations, to be noticed, to look impressive and speak with confidence, you need to come across assertively.

Is something holding you back?

Don't let self-doubt stop you from being assertive

how?

who?

why?

what?

Don't over-analyse

Stop yourself over-analysing by complimenting an aspect of your personality. There's always something good about what you're doing or saying.

Learn to love mistakes

Accept that things may go wrong sometimes. Recognise failure as a positive thing. Learn from your mistakes and keep trying until you succeed.

I can

Believe in yourself

Recognise your own abilities and have firm self-belief. You will then be in the driving seat and be able to control the perception people form of you.

3 simple steps to being assertive

Subtle changes make

A BIG DIFFERENCE

Entitled To Respect Conrad Potts, Suzanne Potts, 2011-06-01 It is estimated that we spend half our waking life at work If during our time at work we find ourselves full of self doubt lacking in confidence irritated frustrated and not respected how can we enjoy this time This book will re ignite your self esteem and help you to command the respect to which you re entitled at work It will provide you with practical tools that you can put into use immediately enabling you to Be valued for who you are Ask for what you re entitled to Say no when you have a right to do so Have your opinions ideas respected and heard Stand up for yourself Handle difficult situations calmly and successfully Get the job promotion you deserve Have greater all round confidence

Confidence & Assertiveness Skills for Women Janis Bryans Psy.D, Are you tired of feeling empty inside You would desperately love to express yourself and be appreciated by others but always find that there something preventing you Do you want to be more confident Have you ever struggled with self confidence Would you like to know how to be an assertive person without appearing to be rude We women have particular difficulties in developing self confidence We instinctively focus on everyone except ourselves So spending time on personal development does not come naturally to us Girls are often encouraged to be passive and not too bold or confident After all we don t want to threaten all those guys out there We turn on the television or read the newspaper and we are bombarded with examples of women with great self confidence They have a kind of boldness that we can t quite put together Madame Curie Valentina Tereshkova Sandra Day O Connor and Jackie Joyner Kersee are just a few examples Years of working with women who dealt with self esteem and confidence issues went into writing this book Have you ever heard of the inner voice You could always ask yourself these questions Why would anyone be interested in me Am I not worthy Am I just not up to it but do you love me enough What am I wrong about What if s he leaves me Am I a disaster Can I live without him her If however you do not face up to such problems you will carry their negative influence with you leading to unwanted and repetitive situations with which you are all too familiar What if I told you there is a way to silence this little voice I want to tell you a little secret YOU ARE worthy of love You deserve respect a special person who loves you a person to grow old with and share the obstacles and triumphs of life To achieve this happy ending however you need to nip your fears in the bud right now Here is a brief taste of what you will learn How self esteem works and how it can change the world How to heal the wounds of attachment and manage emotions Overcoming the fear of abandonment and the unknown Handling body shaming feeling inferior and guilt

Assertive communication techniques to create healthy boundaries How to build deep connections with others How to feed your dreams with achievable goals And much more This book is written for YOU The information it provides is meant to be helpful in a kind loving tone I will not put you down nor make you feel like your experiences are your fault If you are ready to develop a strong bold and confident sense of yourself embrace your unique brain based differences and cultivate your individual strengths this step by step manual will help guide you along the way Behind every woman there is immense potential Unlock it now **Assertiveness: Boost Your Confidence While Managing Anxiety (How to Empower Yourself and Gain Respect - Communication Skills)** Daniel Charles,2022-01-04

Assertiveness the foundation of this book is about effectively communicating your needs and setting boundaries while respecting the needs and boundaries of others It is about finding the subtle balance between making your voice heard and giving others the space to voice their opinions The art of assertiveness provides you with a detailed blueprint to help navigate the tricky waters of interpersonal relationships in both personal and professional environments Here is a preview of what you will learn The 5 causes of lack of assertiveness Fast exercises to gain confidence immediately Helpful one liners to break in to any situation What you are missing by not being assertive Secrets the confident people at work don't want you to know How to raise assertive kids Simple daily ritual to stay assertive all day long Much much more Many of us also go through life never truly experiencing what we want This can either be the perfect relationship a dream career or a particular lifestyle we had always envisioned for ourselves The simple reason why we don't go for what we want with more determination is because we have picked up the belief that we must be passive and nice as to not offend others The problem with this behavior however is that it gives others the chance to walk all over us **Assertiveness: How to Empower Yourself at Work & Say (Learn to Say No! Build Self Esteem by Setting Healthy Boundaries With Emotional Healing)** Walter Salazar,101-01-01

This book will start you on your journey to becoming a more empowered and assertive person If you find that you just don't say what you need to and keep repeating the same passive self effacing behaviour then this book is for you The aim of this book is to give helpful and clear guidelines for becoming a more assertive person at work Assertiveness At Work outlines WHY some of us aren't naturally assertive and how our mind set can be our biggest ally or our worst enemy in this area Here's just a tiny fraction of what you will discover The 2 incredible traits you need to be aware of to become more assertive Discover how assertiveness training can increase your confidence in yourself The real reasons why we sometimes lack assertiveness and what to do about it How to stand up and be assertive in uncomfortable situations The 5 destructive emotions you should know about and how to deal with them How to go from theory to practice and bring your inner assertiveness to outward action The key is to be willing to set your mind to accomplishing it Then by being present you can push yourself out of your comfort zone define your values and embrace change You will not only have the foundational confidence to make it happen but you will also be wildly successful with the unshakeable confidence that attracts admiration and inspires others to do the same Assertiveness: A Personal

Guide to Assertiveness and How to Stand Up for Yourself (The Fastest and Most Effective Methods to Be More Assertive in Daily Situations) Alfonso Smith, 101-01-01 They would find you nice or that you could avoid conflict But this time you think that you've had enough and that it's time you stand up for your needs Becoming assertive is not easy and this book aims to walk you through the first steps in becoming assertive No this book will not transform you into an assertive person This book will discuss what you need to know about being assertive How do you assert yourself without being aggressive How do you confront others and stand up for your needs or beliefs but still gain the respect of your family co worker or your boss This book will give you specific discussions and what you do with it afterwards is up to you This book will teach you the following How to communicate with confidence charisma and clarity How to be an assertive communicator How to have an assertive body language How to deal with narcissistic toxic and difficult people How to be a more confident and effective leader And much more Assertiveness is not a natural born trait but it is a skill that we all can acquire with perseverance and the right kind of guidance It will instead create healthy boundaries through which you and your acquaintances can communicate more honestly and freely
