**characterization of the digital holographic wavefront sensor** - Aug 20 2022

the holographic wavefront sensor treated in this paper is a modal detector that makes use of a multiplexed hologram previously coded with the desired aberration modes to be sensed the

*open access digital holography and wavefront sensing* - Dec 24 2022

this highly practical and self contained guidebook explains the principles and major applications of digital hologram recording and numerical reconstruction digital holography a special

*digital holography and wavefront sensing principl meyer* - Dec 12 2021

digital holography and wavefront sensing principl is straightforward in our digital library an online access to it is set as public consequently you can download it instantly our digital

**compressive holographic sensing simplifies quantitative phase** - May 17 2022

may 17 2023 compressive holographic sensing simplifies quantitative phase imaging light science applications news views open access published 17 may 2023 compressive

*digital holography and wavefront sensing springer* - Sep 01 2023

this book presents a self contained treatment of the principles and major applications of digital hologram recording and numerical reconstruction digital holography this second edition
