**It's Gonna Rain** R. Major Montgomery,2023-10-14 It s Gonna Rain is a story about a church playing church and it s coming soon to a church near you if it ain t already there Welcome to Slippery Rock Baptist Church pastored by The Reverend James Too Slick Jones It s just a typical Sunday Morning Worship Service The choir is singing the preacher is whooping and The Spirit is moving All is well and there s nothing out of the ordinary on this typical Sunday except for the visitation of three interesting gentlemen Slippery Rock is a small church where everybody knows everybody and everybody s family and they rarely have visitors especially visitors that no one knows As they would reveal

they are there to meet with Reverend Jones and offer him the opportunity of a lifetime Surely he can't say No to becoming the new spiritual leader of the world With this opportunity he will be able to serve both God and man therefore fulfilling his life's passion The cons The lust for power money and the temptation of sex Yes Pastor Jones has been tempted as a minister and pastor but his love for God and his wife has always helped him to maintain his integrity and moral standards which is why he has been selected by the three gentlemen to become the leader of their spiritual movement He didn't apply for the job nor did he have to in their eyes He's not in this game for what he can personally gain but in it for the sole purpose of serving The Almighty But having to deal with the particular issues that come his way along with the politics that exist in the church house poses the question is the office of The Heavenly Called the anointed and the standards within it too much to bear even for those who have the sincerest of intentions The doors of the church are open Whosoever will let him come

*slick but not slick enough* Comeassia Miles, **Sovereign Love** Dené Logan, MFT, 2024-05-28 From couples therapist Den Logan comes a new perspective on understanding our inner masculine and feminine energetics as the key to experiencing fulfillment in our partnerships Does something feel off about your intimate relationships If you haven't been able to pin down exactly what you aren't alone While attempting to connect the dots of her own experience to the patterns she observes within the relationships of her clients couples therapist Den Logan came to a vital understanding in the search for relational fulfillment the answer often lies in the inherent interplay of the masculine and feminine energy that everyone possesses Both masculine and feminine polarities are present in every person and relationship When we're out of touch with the energetics within ourselves and those around us it can create an internal struggle and sense of disharmony in our partnerships Understanding these dynamics is the key to ending the unspoken war of the sexes that plays out far too often in

our relationships Logan says Thankfully we have the power to work with these polarities first within ourselves and then within our relationships In Sovereign Love Logan helps us understand how to integrate masculine and feminine energetics so we can move away from the codependent transactional views of what relationships should be toward an interdependent mutually balanced state where both partners are present self aware and strong in Self Here you ll discover What energetics you ve been operating from and why The polarities that are being created in your partnerships How to take personal responsibility for shifting your own energy to a more integrated place Logan shares revelations and techniques to support you in experiencing the wholehearted satiating kind of love that is rooted in self awareness and interdependence By unpacking the historical cultural and highly individual reasons why we love the way we do she explains we can understand our motivations and consciously choose to love in a way that serves our growth our values and our personal sovereignty A
