complex sites for potential new forms of religious expression worship discussion and practices **A Guide to Truth for the Jehovah's Witness** Ron Abud,2025-10-09 Over the years from time to time Jehovah s Witnesses have stopped by the house Once two Witnesses came by during a busy Christmas season Being preoccupied I invited them to come back another time One of them did he came back twice Both times after I d invited him inside to chat something unrelated came up that required me with an apology to end his visit prematurely Following the second interruption I agreed to meet with him again after the holidays had passed His commitment was admirable it inspired me to do some research in expectation of his return He never did return but that research is the foundation of this book It is based on biblical texts supported at times by excerpts borrowed from historic Greek and Hebrew manuscripts The book demonstrates beyond a doubt that Jesus Christ is the Eternal Son of God In the New World Translation of the Holy Scriptures NWT the translations of these Greek and Hebrew excerpts are not correct They have been altered changed in ways which make it seem as if Jesus was created The author of the NWT the Watchtower Bible and Tract Society Watchtower Society justifies the alteration of these translations by alleging the early second century church changed their meanings and as altered they convey what was originally intended The book proves not only that this Watchtower Society allegation is without merit but shows how impossible what it alleges would have been for the early church to undertake and accomplish The NWT has been revised several times over the years Many of these revisions include changes the Watchtower Society made to its own doctrine It has done so all the while proclaiming itself to be Jehovah God s true prophet The irreconcilable problem here for the Watchtower Society is that God s truth does not change A true prophet of Jehovah knows this and would never change what that prophet previously declared had come from God If you will kindly pray for spiritual discernment and then read the book [Can Evangelicals Truly Change the World?](#) William Wagner,Mark Wagner,2019-09-27 As we look at the growth of the Christian Church in today s world there is reason for both optimism and pessimism In the developing world there is both an enthusiasm and a real growth while in many parts of the Western world the church seems to be in decline However there are some religious groups and movements that are experiencing growth The Authors of this book attempt to study seven of today s movements to see why some are growing while others are either stagnant or declining As we plan for the future it is important that we understand the dynamics of growth so as to be able to carry out the Great Commission of the Lord Jesus Christ and that is To make disciples of all nations
