Walsh, 2010-02-01 The Old Testament s stories are intriguing mesmerizing and provocative not only due to their ancient literary craft but also because of their ongoing relevance In this volume well suited to college and seminary use Jerome Walsh explains how to interpret these narrative passages of Scripture based on standard literary elements such as plot characterization setting pace point of view and patterns of repetition What makes this book an exceptional resource is an appendix that offers practical examples of narrative interpretation something no other book on Old Testament interpretation offers **The Religious Magazine and Monthly Review** , 1872 **Elijah's Want** Victoria Blue, 2022-05-31 Elijah Banks thought he found his one true love until she walked out their front door without even saying goodbye For years he s lived a hedonistic lifestyle and made sure he never got close to a woman again Hannah Farsey wants the real deal with her new housemate and is willing to overlook the imperfect parts of his history to get it When their pasts and presents collide in spectacular fashion she s not sure she can trust his declarations Can this physically flawless man find the courage to commit himself completely to their budding relationship Or will bitterness and disdain become the signposts to his future Is the love and desire enough to guide him on the honest path to Hannah Because of the darkest secret from his past Elijah s convinced he s not good enough for this perfect beautiful woman Until she reveals she s been keeping secrets too **The Blackbridge Series (Books 1-3)** Claire Boston, 2021-02-22 The small town of Blackbridge Western Australia had always been a safe popular holiday destination But a Christmas stalker signals the start of a series of incidents which
