Elyot Four Plays:

Four Plays Kevin Elyot, 2004 A collection of Elyot's work to date

The Methuen Drama Guide to Contemporary British Playwrights Aleks Sierz, Martin Middeke, Peter Paul Schnierer, 2011-10-17 The Methuen Drama Guide to Contemporary British Playwrights is an authoritative guide to the work of twenty five playwrights who have risen to prominence since the 1980s Written by an international team of scholars it will be invaluable to anyone interested in studying or teaching contemporary drama Among the many playwrights whose work is examined are Sarah Daniels Terry Johnson Martin Crimp Sarah Kane Anthony Neilson Mark Ravenhill Simon Stephens Debbie Tucker Green Tanika Gupta and Richard Bean Each essay features A biographical sketch and introduction to the playwright A discussion of their most important plays An analysis of their stylistic and thematic traits the critical reception and their place in the discourses of British theatre A bibliography of texts and critical material

For the Gay Stage Drewey Wayne Gunn, 2017-06-02 Previous surveys of the gay theatrical repertoire have concentrated on plays produced on Broadway or in London's West End This comprehensive guide goes well beyond these earlier studies by introducing productions from Off Broadway from regional theaters in the U S and U K and from Ireland Canada Australia New Zealand and South Africa Also included are Puerto Rican Indian and Filipino plays written in English as well as translations from other languages Well over half of the works discussed here appear for the first time in such a study

Sex on Stage Andrew Wyllie, 2009-03-01 In the years just after World War II theater provided an important critique of British society's engagement with gender and sexual politics *Sex on Stage* examines how British playwrights actors and directors brought women's sexuality and gay and lesbian issues to the cutting edge of drama after World War II Through a close reading of playwrights such as John Osborne Harold Pinter and Terence Rattigan alongside accounts of their sociopolitical context and public reception Andrew Wyllie reveals that this more progressive age was also one of reactionary statements and industry wide anxiety

Coward Plays: 4 Noël Coward, 2013-11-12 Volume Four of No 1 Coward's plays contains a selection of Coward's plays from the thirties and forties which includes *Blithe Spirit* a comedy that centres around the spirit medium Madame Arcati The play that mocks sudden death was produced at precisely the moment when bombs were bringing it to Britain I shall ever be grateful for the almost psychic gift that enabled me to write *Blithe Spirit* in five days during one of the darkest years of the war The play was for years the longest running comedy in the history of British theatre Present Laughter follows the life of Garry Essendine a world weary middle aged projection of the dilettante debonair persona self obsessed and dressing gowned who struts through the play like an educated peacock It is a comedy about the theatricals that No 1 best knew and loved and was originally a star vehicle for himself It is the closest to an autobiographical play that Coward ever wrote This *Happy Breed* is a saga of a lower middle class family and three shorter pieces from *Tonight at 8.30* is a farce set in the South of France and serves as an oblique tribute to Frederick Lonsdale *The Astonished Heart* is about the decay of a psychiatrist's mind through personal sexual obsession *Red Peppers* which closes the

volume was a cynical tribute to the lost music halls of the First World War *Thomas Elyot: Critical Editions of Four Works on Counsel* Robert G. Sullivan, Arthur E. Walzer, 2018-05-07 This volume provides the first modern scholarly editions of four works on the rhetoric of counsel by Sir Thomas Elyot 1490-1546 humanist scholar and advisor to Henry VIII of England *The Doctrinal of Princes* a translation of Isocrates *To Nicocles* and probably the earliest English book translated directly from Greek into English consists of a collection of aphorisms all advising moderation addressed to monarchs *Pasquill the Playne* the first English pasquinade is a comic dialogue on the ethical challenges involved in counseling a prince *Of That Knowledge Which Maketh a Wise Man* is a direct imitation of a Platonic dialogue in which Plato's confrontation with the Sicilian tyrant Dionysius is given dramatic form A third dialogue *The Defense of Good Women* is the first printed English book that argues for the moral and political equality of women to men Included in the volume are a general introduction to Elyot's life and political career extensive critical introductions to each of the texts full recordings of the variations between printed editions and substantive notes

Queering Agatha Christie J.C Bernthal, 2016-09-02 This book is the first fully theorized queer reading of a Golden Age British crime writer Agatha Christie was the most commercially successful novelist of the twentieth century and her fiction remains popular She created such memorable characters as Hercule Poirot and Jane Marple and has become synonymous with a nostalgic conservative tradition of crime fiction J.C Bernthal reads Christie through the lens of queer theory uncovering a playful alert and subversive social commentary After considering Christie's emergence in a commercial market hostile to her sex in *Queering Agatha Christie* Bernthal explores homophobic stereotypes gender performativity queer children and masquerade in key texts published between 1920 and 1952 Christie engaged with debates around human identity in a unique historical period affected by two world wars The final chapter considers twenty-first century Poirot and Marple adaptations with visible LGBT characters and poses the question might the books be queerer

The Actor in You Robert Benedetti, 2022-10-28 Since the first edition of *The Actor in You* was published a quarter century ago thousands of students have benefited from Robert Benedetti's decades of experience educating some of the United States' finest actors In this Seventh Edition Benedetti expresses the fundamental elements of acting in simple language leading readers through understanding their own bodies and voices acting technique and the basics of rehearsals and staging shows Each step includes exercises to aid students in self-discovery and self-development as they grow from novices into practiced actors

Rewriting the Nation Aleks Sierz, 2011-01-25 This is an essential guide for anyone interested in the best new British stage plays to emerge in the new millennium For students of theatre studies and theatre goers *Rewriting the Nation* British Theatre Today is a perfect companion to Britain's burgeoning theatre writing scene It explores the context from which new plays have emerged and charts the way that playwrights have responded to the key concerns of the decade and helped shape our sense of who we are In recent years British theatre has seen a renaissance in playwriting accompanied by a proliferation of writing awards and new writing groups The book provides an in-depth exploration of the

industry and of the key plays and playwrights It opens by defining what is meant by new writing and providing a study of the leading theatres such as the Royal Court the Traverse the Bush the Hampstead and the National theatres together with the London fringe and the work of touring companies In the second part Sierz provides a fascinating survey of the main issues that have characterised new plays in the first decade of the new century such as foreign policy and war overseas economic boom and bust divided communities and questions of identity and race It considers too how playwrights have re examined domestic issues of family of love of growing up and the fantasies and nightmares of the mind Against the backdrop of economic political and social change under New Labour Sierz shows how British theatre responded to these changes and in doing so has been and remains deeply involved in the project of rewriting the nation **(Un)Veiling Sexual Identities**

Davide Passa, 2024-08-30 This study situated within the field of Language and Sexuality Studies investigates the characterisation of fictional gay men in 21st century British drama The research is based on a corpus of 61 plays staged between 2000 and 2020 which collectively feature 187 gay male characters The study employs methodological triangulation to explore the corpus from three distinct perspectives moving from broad trends to more detailed analyses The first section offers an overview of 20th and 21st century British drama featuring gay characters identifying general trends in the portrayal of homosexuality in contemporary British theatre The second section delves into the 187 fictional gay characters classifying them according to both sociolinguistic variables such as age social class and linguistic variety and variables specific to Language and Sexuality Studies including levels of openness about their sexuality and their distinctive use of gayspeak The final section takes an eclectic approach providing a multifaceted analysis of the gayspeak observed in the corpus This is done through both manual analysis and a corpus assisted approach using Lancsbox software The primary goal of this section is to evaluate whether the features of gayspeak identified in earlier studies persist in the contemporary plays under examination
