

**QUESTIONS TO DO WITH SEXUALITY AND THINGS THAT WE TRY TO HIDE FROM OURSELVES. I WANTED TO MAKE ALL THAT AS I WAS MAKING IT." ANDREW HAIGH**

Haigh was writing about. "He said, 'Like you've written this script about me.' Haigh was not expecting to be able to cast himself for Harry's part. *Normal People*, the career was rocketing. But Haigh says he'd long wanted to work with Scott, and now the chemistry was immediate. "You know, as actors, learning about each other's performances develop. So you feed off each other when you get something special." He is 40, Mescal is 27, and that casting about Haigh examining evolving relationships to sexuality. "I'm fascinated by the generations' queer or gay experience," director. "My generation grew into their sexuality during AIDS, very much connecting sexuality with death. The generation after that, they still seemed

sexuality is not a worry. "I saw young guys holding hands in public and think, 'Wow, I'm still not very good at that.'"

As much as progress thrills him, he's well aware the bigotry he grew up with has not gone away. "We did a preview of the film and the minute the sex scene happened, about 12 people walked out," says Haigh, rolling his eyes. The scene is short and reveals nothing in terms of nudity, but has excited some viewers in a way straight sex scenes don't (try Googling "All of Us Strangers steamy"). Haigh is used to people greeting gay sex scenes this way. "We're not an 18 [certification] and you barely see a thing. I think what it is — and I'm quite proud of it — is that the sex is not explicit but it's really intimate. That can be quite surprising to people, because it's watching love develop between two men."

*Andrew Haigh, 40, wrote the script for *Normal People*. Family members thought the sex scene was too explicit, but Haigh says it's not. He's proud of it — and director Haigh says it's a beautiful thing.*
