Your Mentor A Practical Guide

for First Year Teachers in Grades 1-3 is Roberts way of making sure other new teachers have the support they need when they need it. This practical, easy-to-implement guide was developed by surveying student teachers, substitute teachers, returning teachers, emergency credential teachers, and teacher educators. Their wide-ranging responses to what they wanted to see included in a teaching reference covered setting up a classroom, developing themes, instructional presentation, student assessment, parent communications, field trips, and more. Your Mentor was written as a stand-alone reference guide when no other support is available or as a supplement to existing school support programs. Actual samples of lesson units, themes, and communications with parents are included along with easy-to-follow classroom-tested suggestions for Lesson plans, Record keeping, Using technology in the classroom, Planning special events, Developing and maintaining professional credentials and portfolios. This book will be a valuable reference tool for those in their first few years of teaching, teachers returning to the classroom, and students considering the teaching profession. It will serve as daily companion like the experienced teacher we all want and need.
