

Endangered Species

The majestic tiger, a symbol of strength and beauty, is sadly an endangered species. Due to habitat loss and poaching, their population has drastically declined. Conservation efforts are crucial to protect these magnificent creatures and ensure their survival. Organizations around the world are working tirelessly to preserve their habitats and combat illegal wildlife trade.

1) What is the current status of tigers?

2) What are the main threats to their population?

3) What efforts are being made to protect them?
