Real Estate Finance and Economics Lucy Ogbenjuwa, 2023-01-23 Finance is essential to the real estate project development sector s success However there is still an enormous gap in the real estate sector What seems to be required is a model that could guide managers in securing real estate project development finance Findings have shown that no comprehensive framework is presently available This book presents a toolkit to support real estate managers in securing real estate project development finance The book will help managers to understand the different financing options and criteria required by financiers The study includes case studies from developed and emerging economies including Germany the United Kingdom the United States of America China Nigeria and South Africa The author concludes that the dominant challenges common to

managers in both economies are access to land collateral and rising interest rates **Ebook: Real Estate Finance and Investments** BRUEGGEMAN,2010-06-16 Ebook Real Estate Finance and Investments **The Real Estate Market in Ghana** Wilfred K. Anim-Odame,2021-03-15 This book seeks to fill the information gap on a key emerging real estate market and demystify the perception that the market in Ghana and indeed across sub Saharan Africa is opaque Drawing on decades of experience from within the market the author presents a detailed examination of the real estate market in Ghana and its existing regulatory framework In doing so he provides a justification for its relevance in the subregion It focuses on seven thematic areas land administration legal perspectives market dynamics investment potentials market competitiveness valuation and compensation This book will be a useful resource for students academia practitioners real estate developers investors and professional advisors such as valuers surveyors lawyers accountants bankers architects planners and engineers An important feature of this book is the way in which chapters are self contained and yet follow logically one from another With this approach readers can choose a reading path appropriate to their own specific needs without a loss of continuity
