Few Guide Past Tv Week

L Cohen

Few Guide Past Tv Week:

New York Magazine ,1983-01-10 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea The Stuff of Spectatorship Caetlin Benson-Allott,2021-04-06 Film and television create worlds but they are also of a world a world that is made up of stuff to which humans attach meaning Think of the last time you watched a movie the chair you sat in the snacks you ate the people around you maybe the beer or joint you consumed to help you unwind all this stuff shaped your experience of media and its influence on you The material culture around film and television changes how we make sense of their content not to mention the very concepts of the mediums Focusing on material cultures of film and television reception The Stuff of Spectatorship argues that the things we share space with and consume as we consume television and film influence the meaning we gather from them This book examines the roles that six different material cultures have played in film and television culture since the 1970s including video marketing branded merchandise drugs and alcohol and even gun violence and shows how objects considered peripheral to film and television culture are in fact central to its past and future *A Handbook of Media and Communication Research* Klaus Bruhn Jensen,2013-04-15 A Handbook of Media and Communications Research presents qualitative as well as quantitative approaches to the analysis and interpretation of media covering perspectives from both the social sciences and the humanities The Handbook offers a comprehensive review of earlier research and a set of guidelines for how to think about plan and carry out studies of media in different social and cultural contexts Divided into sections on the history systematics and pragmatics of research and written by internationally acknowledged specialists in each area the Handbook will be a standard reference work for students and researchers *Encyclopedia of American Journalism* Stephen L. Vaughn,2007-12-11 The Encyclopedia of American Journalism explores the distinctions found in print media radio television and the internet This work seeks to document the role of these different forms of journalism in the formation of America s understanding and reaction to political campaigns war peace protest slavery consumer rights civil rights immigration unionism feminism environmentalism globalization and more This work also explores the intersections between journalism and other phenomena in American Society such as law crime business and consumption The evolution of journalism s ethical standards is discussed as well as the important libel and defamation trials that have influenced journalistic practice its legal protection and legal responsibilities Topics covered include Associations and Organizations Historical Overview and Practice Individuals Journalism in American History Laws Acts and Legislation Print Broadcast Newsgroups and Corporations Technologies
