3.1 Role and importance of the eight business functions

- When a business is run by its owner, the entrepreneur, all the business functions are performed ✓ by the owner himself. ✓
- As the business expands and more people need to be employed ✓, the role and importance of certain business functions change. ✓
- For example when production increases, ✓ people may be appointed to fulfil the marketing function and its promotions, advertising, etc. ✓
- Should the business grow to a point that warrants the business becoming a company ✓, the role and importance of the business functions will change again. ✓
- Each function will have its own director ✓ to make strategic decisions pertaining to that function. ✓
- Board meetings will be held to ensure that there is complete interaction ✓ and interdependence among all the functions. ✓
- Are other relevant aspects?

Abstract The purpose of this study was to determine the effect of a 12-week, low-intensity, low-impact, and low-volume aquatic exercise program on the physical fitness of sedentary, middle-aged women. The study was a randomized, controlled trial. The subjects were randomly assigned to either an aquatic exercise group or a control group. The aquatic exercise group performed a 12-week, low-intensity, low-impact, and low-volume aquatic exercise program. The control group performed no exercise. The subjects were assessed for physical fitness at baseline and at 12 weeks. The aquatic exercise group showed significant improvements in physical fitness compared to the control group. The improvements were seen in all measures of physical fitness, including cardiovascular fitness, muscular fitness, and body composition. The aquatic exercise program was found to be an effective means of improving physical fitness in sedentary, middle-aged women.
