Daniel Stellini

Chapter President

Eta Omega Chapter of Theta Chi Fraternity

I am pleased to inform you that Theta Chi earned a 2.737 cumulative Grade Point Average (GPA) for spring 2012. In so doing, your chapter has exceeded the following GPAs during the spring 2012 semester:

GPA Statistics for Spring 2012

1. All IFC Chapter GPA: 2.659
2. All Men's Undergraduate GPA: 2.59
3. All Undergraduate GPA: 2.70

As you know, Greek Life at CSU Chico highly embraces the Pillars of Distinction [Leadership, Scholarship, Community, Diversity and Inclusion, Service, and Integrity] and the connection between the pillars. Your chapter has demonstrated excellence in scholarship. This accomplishment is one that the Eta Omega Chapter of Theta Chi Fraternity can be proud of.

Once again congratulations on this noteworthy achievement. I wish your chapter continued success in its scholastic endeavors at CSU, Chico.

Fraternally,

Juan Miguel Blanco

Program Coordinator for Greek Life

Cc: James Suver, Faculty Advisor
Charles Carter, Student Activities Director

Letter From Parents For Sorority Initiation

Sherrie Campbell

Letter From Parents For Sorority Initiation:

But It's Your Family . . . Sherrie Campbell, 2019-01-01 A psychologist offers a roadmap for those looking to break free of toxic family relationships and thrive in the aftermath Toxic family abuse is always two fold The first layer of abuse is the original poor treatment by toxic family members and the second is someone's denial of the ways in which abusers treat and harm them Loving someone doesn't always mean having a relationship with them just like forgiveness doesn't always mean reconciliation A significant part of healing comes with accepting that there are some relationships that are so poisonous that they destroy one's ability to be healthy and function best *But It's Your Family* is a remarkable account of what it means to cut ties to toxic family abuse and thrive in the aftermath Inside Dr Sherrie Campbell clarifies How parents adult children siblings grandparents and in laws can be toxic The difference between flawed and toxic family members Explaining the cutting of ties to children and others who may not understand Spiritual and religious views on forgiveness The definition of cutting ties and what No Contact actually means When readers are able to bring closure to those toxic relationships they give themselves the space to love those family members from a distance as fellow human beings with the knowledge that it is unwise to remain connected Readers learn how to love themselves in the process and fundamentally change their lives for the better *Black Greek-letter Organizations in the Twenty-First Century* Gregory S. Parks, 2008-06-13 During the twentieth century black Greek Letter organizations BGLOs united college students dedicated to excellence fostered kinship and uplifted African Americans Members of these organizations include remarkable and influential individuals such as Martin Luther King Jr Congresswoman Barbara Jordan novelist Toni Morrison and Wall Street pioneer Reginald F Lewis Despite the profound influence of these groups many now question the continuing relevance of BGLOs arguing that their golden age has passed Partly because of their perceived link to hip hop culture black fraternities and sororities have been unfairly reduced to a media stereotype a world of hazing without any real substance The general public knows very little about BGLOs and surprisingly the members themselves often do not have a thorough understanding of their history and culture or of the issues currently facing their organizations To foster a greater engagement with the history and contributions of BGLOs *Black Greek Letter Organizations in the Twenty first Century Our Fight Has Just Begun* brings together an impressive group of authors to explore the contributions and continuing possibilities of BGLOs and their members Editor Gregory S Parks and the contributing authors provide historical context for the development of BGLOs exploring their service activities as well as their relationships with other prominent African American institutions The book examines BGLOs responses to a number of contemporary issues including non black membership homosexuality within BGLOs and the perception of BGLOs as educated gangs As illustrated by the organized response of BGLO members to the racial injustice they observed in Jena Louisiana these organizations still have a vital mission Both internally and externally BGLOs struggle to forge a relevant identity for the new century Internally these groups wrestle with many issues including hazing homophobia petty intergroup competition and

the difficulty of bridging the divide between college and alumni members Externally BGLOs face the challenge of rededicating themselves to their communities and leading an aggressive campaign against modern forms of racism sexism and other types of fear driven behavior By embracing the history of these organizations and exploring their continuing viability and relevance Black Greek Letter Organizations in the Twenty first Century demonstrates that BGLOs can create a positive and enduring future and that their most important work lies ahead *Wrongs of Passage* Hank Nuwer,2001 Explores the problems of hazing and binge drinking at fraternities and sororities on American college campuses telling the stories of some of the young people who have been seriously injured or died as a result of such behaviors and offers a list of recommendations for reform Kappa Alpha Theta ,1962 *The Rattle of Theta Chi* ,1939 **The History of Sigma Kappa Sorority, 1874-1924** ,1924 **Sorority Sisters** Tajuana Butler,2001-11-06 Dear Heavenly Father Thank you for developing me into a beautiful and talented woman Thank you for being my protector and my guide And as I make my way along my journey bless me with the wisdom to make intelligent choices So begins *Sorority Sisters* by Tajuana TJ Butler a dazzling new voice in African American fiction In this wonderful debut novel five young women from diverse backgrounds pledge an African American sorority and learn the true meaning of sisterhood CAJEN is a naive freshman whose brief affair with Jason the campus Romeo has life changing repercussions With hardly a chance to cope with her new circumstances she finds herself dealing with the stress of pledging while battling feelings of depression and guilt TIARA grew up as the oldest of five children raised by a single mother in the projects of Gary Indiana Motivated by Rhonda her mentor through the Big Sisters program she has worked hard for everything she has achieved Simply being in college is a victory for her CHANCEY is brilliant with a photographic memory that has allowed her to breeze through school In fact she skipped her freshman year entirely and entered college as a sophomore She has always been made to feel like an outsider because of her intelligence and the sorority represents an opportunity for her finally to fit in STEPHANIE is the spoiled only child of a prominent wealthy family from Savannah She is used to getting the best and expects no less But Stephanie is adopted and harbors a secret about her birth mother that she fears will cause others to think less of her MALENA is ambitious talented and smart She knows what she wants and is steadfast when it comes to achieving her goals Her strength and resolve ultimately benefit the group as a whole These five very different young women are thrust together and soon must learn to unite and draw upon one another's talents During the course of their pledge process they struggle to discover and define their futures finding strength in the group and within themselves In *Sorority Sisters* Butler writes with sensitivity and authenticity about issues revolving around class friendship self discovery sexuality and love She has created characters who remain with you long after the last page has been turned A gifted young storyteller Tajuana TJ Butler has a voice we'll be hearing from for a long time Babes in Boyland Gina Barreca,2011 A humorous and provocative account of being a female undergraduate at Dartmouth College in its turbulent first years of co education **Journal of the American Institute of Homœopathy** ,1925 *The News*

Letter Young Men's Hebrew Association (Kansas City, Mo.), 1929
