

November 30, 2020

To whom it may concern:

My name is Duane Kenny. I am the head coach of the Winslow Goblins, a Youth Travel Soccer Team (co-ed) Program in Winslow Township NJ. I have had the privilege of coaching Rachel Kim the past 6 years at a high level.

I have coached Rachel age appropriate as well as 2years up (boys).

On the field, Rachel has a tremendous soccer IQ. She has a very complete understanding of technical, tactical and mental concepts.

Simply Rachel is the toughest player I have ever been around. She is self driven, competitive, focused, and positive in the most adverse conditions. At the same time, she is very coachable and asks for criticism and pathways to improve her game and mental toughness. Rachel accepts the criticism constructively and puts the work in leveling up. She also keeps a coach on their toes, looking for that progressive level.

Rachel challenges herself and is always a helping hand with struggling teammates breaking down concepts, encouraging confidence, and pursuing the positives in every situation.

As a leader, Rachel allows her actions/work speak for the role. Rachel is self accountable. She is consistently viewed by the team and other players as a keystone.

On a personal level, Rachel has been friends with my kids and has been a tremendous positive influence. My own children request when we are building teams if Rachel is available. That to me is the ultimate compliment.

To finish, Rachel would have not grown into the well rounded person she is today without the consistent support, love and accountability from her Mom, Julie and Dad, Sewon. They have not only shown these towards Rachel but they have also taught her to give these traits in a very unselfish way.

Regards,

Duane Kenney
Duane Kenney

Letter Of Recommendation For A Football Coaches:

The Men We Became: More Echoes From the End Zone Lisa Kelly, 2019-04-03 What does it take to be a student athlete at Notre Dame Sports fans may have an idea of what it takes to play football at a Division I college the training the discipline the pain the motivation But most of us have no idea what it takes to be a successful student athlete at a top academic institution such as Notre Dame In *The Men We Became More Echoes From the End Zone* the follow up to Lisa Kelly's first book *Echoes From the End Zone The Men We Became* Lisa details what it takes to be a successful student athlete at Notre Dame the dedication determination and drive that Our Lady's student athletes need to find success both on and off the field She tells the stories of another group of Notre Dame football players including The lessons they learned in college and how those lessons changed their lives via the Notre Dame Value Stream Their years at Notre Dame The end of their football careers The new careers and dreams they followed after football The profiles of the Notre Dame men presented in this book touch on the significant impact the University played in the shaping of these individuals after they left Lisa does a masterful job of extracting the essence of what make Notre Dame men special I am proud of the legacy I was fortunate enough to be a part of and grateful to Lisa for doing such a remarkable job in telling our stories Reggie Brooks The men featured in this book are special individuals and represent all that is great about Notre Dame These men are significant and they have strived each day to make an impact and difference in all things that they touch They were and as far as I'm concerned remain Notre Dame student athletes and I'm proud to have been a part of their lives Lisa thank you for your work and sharing with the Notre Dame Family what you so appropriately have named *The Men We Became More Echoes From the End Zone* Lou Holtz

The Winning Tradition Bert Nelli, Steve Nelli, 2014-07-15 In its 95 year history the Kentucky Wildcats have won more games than any other college basketball team Their winning percentage is the highest in the country They share the record for the most 20 win seasons They are second in all time number one rankings And despite no longer holding the record for winningest coach Adolph Rupp will always be a giant in the pantheon of college basketball When *The Winning Tradition* first appeared in 1984 it was the first complete history of the Wildcat basketball program Bert Nelli pointed out that contrary to the accepted mythology Adolph Rupp arrived at a program already strong and storied Nor did Rupp bring an entirely new style of play to the Bluegrass Instead he adopted and perfected that of his predecessor John Mauer What Rupp did bring was an ability to charm the news media and a fierce determination to turn out winning teams making him the undisputed Baron of Basketball This new and expanded edition of *The Winning Tradition* brings the history of Kentucky basketball up to date Nelli and his son Steve turn the same unflinching gaze that characterized the honesty of the first edition on the scandals that marred Eddie Sutton's tenure the return to glory under Rick Pitino and a full accounting of Tubby Smith's history making first year The start of basketball season is welcomed in the Bluegrass with an unmatched enthusiasm and intensity Each year brings a new team new stars and new glory Other books have documented individual seasons individual players or individual

coaches But The Winning Tradition remains the only complete and authoritative history of the most celebrated college basketball program in the world A book no fan can afford to be without The Winning Tradition brings alive the agonies frustrations and glories of each season of Kentucky basketball from the first team fielded by women to the surprising victory in the 1998 NCAA tournament

Carlisle vs. Army Lars Anderson, 2008-08-12 A stunning work of narrative nonfiction Carlisle vs Army recounts the fateful 1912 gridiron clash that pitted one of America's finest athletes Jim Thorpe against the man who would become one of the nation's greatest heroes Dwight D Eisenhower But beyond telling the tale of this momentous event Lars Anderson also reveals the broader social and historical context of the match lending it his unique perspectives on sports and culture at the dawn of the twentieth century This story begins with the infamous massacre of the Sioux at Wounded Knee in 1890 then moves to rural Pennsylvania and the Carlisle Indian School an institution designed to elevate Indians by uprooting their youths and immersing them in the white man's ways Foremost among those ways was the burgeoning sport of football In 1903 came the man who would mold the Carlisle Indians into a juggernaut Glenn Pop Warner the son of a former Union Army captain Guided by Warner a tireless innovator and skilled manager the Carlisle eleven barnstormed the country using superior team speed disciplined play and tactical mastery to humiliate such traditional powerhouses as Harvard Yale Michigan and Wisconsin and to along the way lay waste American prejudices against Indians When a troubled young Sac and Fox Indian from Oklahoma named Jim Thorpe arrived at Carlisle Warner sensed that he was in the presence of greatness While still in his teens Thorpe dazzled his opponents and gained fans across the nation In 1912 the coach and the Carlisle team could feel the national championship within their grasp Among the obstacles in Carlisle's path to dominance were the Cadets of Army led by a hardnosed Kansan back named Dwight Eisenhower In Thorpe Eisenhower saw a legitimate target knocking the Carlisle great out of the game would bring glory both to the Cadets and to Eisenhower The symbolism of this matchup was lost on neither Carlisle's footballers nor on Indians across the country who followed their exploits Less than a quarter century after Wounded Knee the Indians would confront on the playing field an emblem of the very institution that had slaughtered their ancestors on the field of battle and in defeating them possibly regain a measure of lost honor Filled with colorful period detail and fascinating insights into American history and popular culture Carlisle vs Army gives a thrilling authoritative account of the events of an epic afternoon whose reverberations would be felt for generations Carlisle vs Army is about football the way that The Natural is about baseball Jeremy Schaap author of I

Dr. Eddie Anderson, Hall of Fame College Football Coach Kevin Carroll, 2007-02-13 For 39 seasons at four schools Dr Edward N Anderson spent autumn afternoons roaming the sidelines of college and university gridirons across America Throughout his career dignity composure and a penetrating focus were hallmarks of his sideline decorum This biography catalogues the life of that good doctor who became dean of America's college football coaches and was enshrined in the College Football Hall of Fame for lasting influence Beginning with his young life as a star player the book relates how

Anderson mastered the game as an All American end under Notre Dame's legendary Knute Rockne. Then armed with a firm command of the so-called Notre Dame system of football, Anderson entered the collegiate coaching ranks in 1922 and served as a head coach for all but four of the next 43 years. Simultaneously, he devoted himself to the practice of medicine and guided his teams to hundreds of victories. Dr. Anderson is a football icon not only for the indelible impression he made on hundreds of young men who had played for him, but also for his role as one of the last of an era of gentlemen coaches who had cut their teeth on football during the Rockne era. On the eve of his retirement from college football in 1964, Dr. Anderson was the game's elder statesman, revered by players, fellow coaches, fans, and members of the press. His football odyssey, during which he crossed paths with the most influential and colorful personalities of the game, is chronicled in depth. Successful Coaching Rainer Martens, 2012-02-17. As America's best-selling coaching text, Successful Coaching has helped over a million coaches develop their coaching philosophies, improve their communication, teaching, and management skills, and understand their responsibilities as a coach. The updated fourth edition of Successful Coaching offers students as well as new and veteran coaches a comprehensive guide to every aspect of coaching. Written by Rainer Martens, a respected and renowned sport psychologist, longtime coach, and lifelong competitive athlete, Successful Coaching Fourth Edition details the principles, knowledge, and skills that will help coaches build a foundation for their decisions and actions. Working through the text, coaches will define their philosophy, identify their objectives, and determine their coaching style. Next, coaches will learn how to become skilled communicators and motivators by applying psychological principles and recommendations for positive management of athletes' behavior. Knowing the skills required for each sport is as important as knowing how to teach and shape those skills. With Successful Coaching, coaches will become more effective instructors as they learn the game's approach to teaching technical and tactical skills, a proven method of helping athletes become smart tactical players of their sports. Successful Coaching also discusses the team management responsibilities of the coach and details how to manage relationships with athletes, other coaches, administrators, medical personnel, officials, parents, and the media. Also addressed are the legal responsibilities of a coach and strategies for reducing risk. Readers will find the latest research in the fields of physical training and nutrition, including new information on creatine, energy drinks, caffeine, and hydration. Successful Coaching also provides a straightforward discussion of drug abuse among athletes, offering all new content on methamphetamines, prescription drug abuse, and drug testing recommendations. Sidebars provide focused insights on a range of coaching topics and offer personal encouragement and advice for coaches throughout the season. In addition, quotes from well-known coaches provide perspective on what it takes to be a successful coach. Reflection questions at the end of each chapter encourage readers to think critically about the content and apply it to their own current or future coaching situations. For course adopters, Successful Coaching also includes online access to a full set of instructor resources, including an instructor guide, image bank, and test package. A dedicated website also includes customizable and reproducible forms. Access

to the electronic forms and additional online resources are referenced throughout the text Written by a coach for coaches Successful Coaching blends the latest research and accepted practices in the sport sciences with practical advice from seasoned coaching veterans Successful Coaching helps readers think critically about their motivation for being a coach and establish a coaching philosophy and style that pave the way for a fulfilling sport experience for coaches and their athletes The fourth edition of Successful Coaching has been carefully revised to meet or exceed the guidelines of the National Council for Accreditation for Coaching Education and the recommendations of the National Standards for Sport Coaches Successful Coaching is the primary text for the Coaching Principles online or classroom course offered by the American Sport Education Program ASEP Coaching Principles is a part of ASEP s Bronze Level coaching certification a three step certification involving coursework essential for coaching any sport teaching sport first aid and conveying advanced sport specific knowledge

Michigan Ross School of Business George Siedel, 2024-12-16 How did a new business school with twenty two students in 1924 evolve into a world class leader in management education a century later Who were the school s legendary faculty members who revolutionized the accounting profession influenced public policy decisions by US presidents created the vocabulary that shapes business strategy and more What role does the school s location within a world renowned university and a popular college town play in the school s success These and other questions are answered as Professor George Siedel presents the history and stories that reveal the commitment of the University of Michigan Ross School of Business to building a better world through business This book is a must read for prospective and current U of M and Ross students alumni and faculty business executives and entrepreneurs university and business school leaders and members of the Ann Arbor community Fascinating history engaging stories excellent writing by a great professor B Joseph White President Emeritus University of Illinois and Dean Emeritus University of Michigan A necessary read not just for those interested in the history of Michigan Ross but also for those seeking to develop an understanding of how great institutions are built Gautam Ahuja Eleanora and George Landew Professor of Management Cornell University I hope that others will find inspiration here to aim high in their work and so doing fill the pages of another book like this in 50 or 100 years Jim Walsh Gerald and Esther Carey Professor of Business Administration University of Michigan and Past President Academy of Management With meticulous research and gifted storytelling Siedel evokes the majesty of Michigan Ross and distills the ingredients of its success Leigh Anenson Professor University of Maryland and Past President Academy of Legal Studies in Business An amazing contribution both to Ross and to the University I stayed up most of the night reading the book and could not put it down William Hall Chicago based entrepreneur and former Professor University of Michigan George Siedel details the century long history of this remarkable magnificent institution with grace fidelity and yes even love Tim Fort Eveleigh Professor of Business Ethics Indiana University Siedel masterfully chronicles Ross s founding and evolution while explaining how its faculty administrators and alumni have fulfilled the school s enduring mission of building a better world through business Tom

Emeritus University of Michigan Annual Report Indiana. Education Employment Relations Board,1994 *Lost*
Champions Gretchen Atwood,2016-09-06 The story of the integration of professional football the year before Jackie Robinson
did the same for baseball has been overlooked for too long Many know the story of Jackie Robinson integrating major league
baseball in 1947 But few know that the NFL integrated a year earlier when Kenny Washington stepped on the field for the
Los Angeles Rams He wasn t the only one Four men broke pro football s color line in 1946 Kenny Washington and Woody
Strode with the Los Angeles Rams and Bill Willis and Marion Motley with the Cleveland Browns *Lost Champions* traces this
history from the early 1930s when NFL owners first instituted a ban on black players through pro football s re integration to
the 1950 NFL Championship Game which pitted the Rams and Browns against each other in a showdown of the most prolific
and advanced offenses pro football had ever seen But the battle wasn t just waged on the gridiron *Lost Champions* shows
how efforts to integrate sports sits within the often ignored history of the civil rights movement in the 1940s The four players
faced animosity and death threats for their role in integration while they and all black Americans were threatened in 1946 by
a spike in lynchings threat of legal expulsion from their own homes and segregation all the way down to the simple act of
going to an amusement park for a bit of relaxation Finally *Lost Champions* explains why these men and their stories have for
so long languished in the shadow of Jackie Robinson and why they too deserve widespread acclaim for integrating what is
arguably the most popular sport in America Why Winners Win Art Garner,1995-09-30 Motivational speaker Art Garner
shares advice and wisdom on how to live your best life achieve your goals and become the winner you re meant to be This is
a special book about special people Winners Their attitudes can change the status quo their fortitude helps them to climb
mountains and endure tremendous burdens they set their eyes on their goals and don t waver The good news is you can be a
Winner too What it takes to be a Winner can be learned In this revised edition of *Why Winners Win* Art Garner shows the
reader the qualities attitudes and actions that will put one on the road to becoming a real Winner Blending inspirational
vignettes with humor Garner takes the reader in hand and demonstrates how to shape attitudes hone specific skills and open
previously locked doors to an exciting life of achievement Included are chapters designed to dramatically alter one s view of
oneself one s thought patterns and one s personal expectations Garner teaches an effective method of motivation and shows
how visualizing a goal is essential to reaching it Among the key chapters are Your Most Important Quality Keeping Your Hot
Button Hot What You Set Is What You Get as well as a chapter original to this edition entitled Releasing Your Untapped
Potential Each chapter is followed by a section called Wisdom for Winners pithy commonsense guidelines to keep the would

be achiever on the upward path Action sheets are provided to assist in charting progress To start any journey one must take the first step To become a Winner begin with this book **Montana** Keith Dunnavant, 2024-06-04 A carefully researched and fluidly written biography of one of the NFL's greatest quarterbacks Booklist Montana is one of the best sports books I've ever read Pat Williams founder of the Orlando Magic In Montana acclaimed author Keith Dunnavant sketches the definitive portrait of a man who repeatedly defied the odds on and off the field While leading the San Francisco 49ers to four Super Bowl championships over a nine year period establishing a new standard for passing efficiency and twice earning the league's Most Valuable Player award Montana became the signature quarterback of the 1980s and one of the greatest ever to play the game Rich in anecdotal detail insight and context Montana is a powerful story about a man who was defined by his intense competitiveness and how this intangibly helped him become one of the iconic figures in football history An insightful engaging biography about the best quarterback of modern times Tim Wendel author of Summer of '68 Superbly crafted Blair Kerkhoff The Kansas City Star In Montana Keith Dunnavant paints a multi dimensional picture of a man who is so much more than Joe Cool Dunnavant unlocks the real reason why the underrated kid from Pennsylvania became his generation's best quarterback and a cultural icon The reason might surprise you Tony Barnhart SEC Network

While this might not be the Letter Of Recommendation For A Football Coaches full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Letter Of Recommendation For A Football Coaches eBooks, including some popular titles.

FAQs About Letter Of Recommendation For A Football Coaches Books

What is a Letter Of Recommendation For A Football Coaches PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Letter Of Recommendation For A Football Coaches PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Letter Of Recommendation For A Football Coaches PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Letter Of Recommendation For A Football Coaches PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Letter Of Recommendation For A Football Coaches PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, iLovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator,

such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
