Mary Magdalene A Personal Connection:

Mary Magdalene: A Personal Connection Michele Doucette, 2015-01-02 During the time of Jesus there was every reason to believe that according to his teachings and within his own inner circle women were uniquely empowered as fully equal It was not until the fourth century that the church was on its way to understanding itself in opposition to women The early image of Mary Magdalene as a trusted apostle of Jesus proved to be a major obstacle to establishing male dominance As a result she was simply recast courtesy of Pope Gregory in 591 AD as the repentant sinner the prostitute the whore the harlot wherein the emphasis on sexuality as the root of all evil further served to subordinate all women an ingenious idea an even more lucrative plan Based on the inner reflection of this inquisitive author Mary Magdalene A Personal Connection reminds one that we are a composite of both feminine and masculine our true pure essential selves In accordance with the mystical traditions that came to be known as alchemy many have looked at these processes as being about converting the physical metal of lead into gold but the key message in all of this was the transformation of the individual and thereby discovering what it means to be spirit residing within a human physical body In order to become truly spiritual beings we must accept ourselves as we are and also as we are becoming for therein lies the truth behind the alchemical marriage between the enlightened heart feminine and the illumined mind masculine the result of which is none other than the Philosopher s Stone

Kingdom of Snow Raymond Van Dam, 2002-09-27 Kingdom of Snow investigates the impact of Roman rule in Cappadocia and the fate of classical Greek culture in an increasingly Christian society **Women and Pilgrimage** E. Moore Quinn, Alison T. Smith, 2022-03-08 Women and Pilgrimage presents scholarly essays that address the lacunae in the literature on this topic The content includes well trodden domains of pilgrimage scholarship like sacred sites and holy places In addition the book addresses some of the less well known dimensions of pilgrimage such as the performances that take place along pilgrims paths the ephemeral nature of identifying as a pilgrim and the economic social and cultural dimensions of migratory travel Most importantly the book s feminist lens encourages readers to consider questions of authenticity

essentialism and even what it means to be a woman pilgrim The volume's six sections are entitled Questions of Authenticity Performances and Celebratory Reclamations Walking Out Women Forging Their Own Paths Women Saints Their Influence and Their Power Sacred Sites Their Lineages and Their Uses and Different Migratory Paths Each section will enrich readers knowledge of the experiences of pilgrim women The book will be of interest to scholars of pilgrimage studies in general as well as those interested in women travel tourism and the variety of religious experiences *Women of the Bible* Kimberlee Herman, 2022-01-04 Learn from the lives of Biblical women through 12 weeks of Bible study The Lord has called upon many women throughout Scripture women from all walks of life who stepped up when He made them a part of His plans This book highlights 12 of these women and the valuable lessons you can learn from their stories inspiring you to persevere through tough times and listen when He calls you in your heart What sets this book apart 12 weeks 12 women Find 12 weeklong study sessions each focusing on the life of one woman from the Bible including Rahab Deborah Mary of Bethany and more Readings and reflections Apply the wisdom of these Biblical women to your own life with insightful commentary and thought provoking questions to help you reflect on each day's passage from Scripture Powerful lessons Explore what each woman's unique experiences with the Lord can teach you about redemption courage and humility See how God worked through the women of the Bible with this standout among Christian books for women **Weaving Theology in Oceania** Beatrice Green, Keiti Ann Kanongata'a, 2020-10-06 Clear assessment of our needs in a global society and sound creative solutions from an Oceanic perspective and beyond form the subject matter of this book Here the cries of suffering from women in violent relationships people yearning for growth and dignity others with mental and emotional trauma and mother Earth herself are heard and enlist support and direction from those whose energy and insight are centred in faith hope and love and firmly anchored in Christian professional academic endeavour The book is patterned after the woven mats roof and sails of the great ocean going canoe to image the diversity of content of this extraordinary gathering of hearts hands and minds While it reflects the global scholarly Christian concern and outreach indicative of our times and a theological approach that is interactive and interdependent it reveals a weaving that is unfinished because the voyage must continue onwards in an attitude of deep listening and open questioning As such the work gathered here represents an energetic contribution towards courageous engagement in the travail that characterises our extraordinary transitional era as we move towards a new consciousness and the book will be of particular interest to academic theologians educationalists Church authorities and pastoral workers from the Oceanic region However it will also inspire and inform comparable groups from other parts of the world simply because what is presented here has universal implications **BEWARE OF THE MAN WITH ONLY ONE RELIGIOUS BOOK!** Louis S. S. Toth Ph.D, 2020-11-15 The thesis of this book is that people and religions that have one religious book as guidance cannot be true in the larger sense of shared truth and that government that are faith based cannot represent all the people Free and open discussions and serious debate are essential for arriving at truth and democratic

government And religion is detrimental to world eace The discussions presented assert that there are many religions and that ALL their gods are pretend given arbitrary characteristics and new gods religions have been easily made by many persons who visit the desert wilderness mountain top or any place of solitude where they were able to receive god s calling without witnesses and then they decree that god wants to speak through them and only to them and echoed by their appointed priests If they can get gullible people to follow them and their god s rules they can establish their own religion and warriors The primary focus of the book s discussions will be to establish ground rules for establishing truth Then as examples discussions are presented with other explanations of miracles in order to reconsider some of the Bible dogma specifically attributed to Jehovah Moses Passover and the roles of all the gods involved in the story of the Exodus The Bible or Torah may tell a different story when we discount miracles and explain them with other real possibilities The conclusions may be different when we explore the plausibility that 1 Moses was the son of Pharaoh Amenhotep IV later called Akhenaten who converted Egypt to a monotheistic religion and Jochebed a lesser wife if married at all and that 2 Moses was an Aten Priest who killed King Tut The Exodus and Adam and Eve would have different explanations if Jehovah were not invented until on Mount Sinai in 1311 BCE Before the Common Era not In the Beginning of the existence of the world Also the Passover the Jews took in leaving Egypt would be logical if one sees Moses attempt to assert his claim to the pharaoh throne And the Jews wandering in the desert would be reasonable if one considers that they were advised and supported by Moses father in law Jethro who was the nomadic high priest of the Druze religion also a monotheistic type These possibilities are herein explored in some detail and the events are presented with a psychological history that includes the back stories motivation and relationships behind the characters and events These discussions encourage rational thought and open mindedness

Wandering in Darkness Eleonore Stump,2012-09-13 Only the most naive or tendentious among us would deny the extent and intensity of suffering in the world Can one hold consistently with the common view of suffering in the world that there is an omniscient omnipotent perfectly good God This book argues that one can Wandering in Darkness first presents the moral psychology and value theory within which one typical traditional theodicy namely that of Thomas Aquinas is embedded It explicates Aquinas s account of the good for human beings including the nature of love and union among persons Eleonore Stump also makes use of developments in neurobiology and developmental psychology to illuminate the nature of such union Stump then turns to an examination of narratives In a methodological section focused on epistemological issues the book uses recent research involving autism spectrum disorder to argue that some philosophical problems are best considered in the context of narratives Using the methodology argued for the book gives detailed innovative exegeses of the stories of Job Samson Abraham and Isaac and Mary of Bethany In the context of these stories and against the backdrop of Aquinas s other views Stump presents Aquinas s own theodicy and shows that Aquinas s theodicy gives a powerful explanation for God s allowing suffering She concludes by arguing that this explanation constitutes a consistent and cogent defense for the problem of suffering

conformity with the Catechism of the Catholic Church *The Final Days of Jesus Christ* Shawn Armstrong, 2025-09-10 In *The Final Days of Jesus Christ* embark on a profound exploration of the pivotal moments that shaped Christian theology and continue to resonate through history This meticulously researched work delves into the historical context of Roman occupied Judea revealing the intricate political and religious tensions that surrounded Jesus during His final days From the poignant Last Supper where betrayal looms to the agonizing moments in Gethsemane where humanity meets divinity each chapter unravels the layers of Jesus passion narrative The gripping accounts of His trials first before Jewish authorities and then Roman rulers illustrate a clash of beliefs and power dynamics that led to His crucifixion Experience the transformation sparked by the resurrection and its implications for Christian faith as well as the enduring legacy that has influenced art literature and moral philosophy throughout centuries This thought provoking volume invites readers to reflect on the significance of these events and their relevance in contemporary belief systems Discover a deeper understanding of Jesus final days order your copy today and journey through history s most consequential moments *WE ARE ONE.* j.d.shaw, 2010-07-09 The Shenoch Letters are offered to all as an awakening to the remembrance of God It is God s desire that we know him and remember who we are in him so that we will understand his plan to bring forth the kingdom of God that dwells within each of us *Making Disciples* Sylvia Wilkey Collinson, 2007-01-01 The Christian faith community regards the making of disciples as a prime directive of Jesus himself though this theme is not dominant in contemporary models of teaching in the church This investigation seeks to develop a theory of discipling and to test its congruence as an effective educational strategy with the objectives of modern Christian faith communities After briefly examining the discipling model of teaching as practiced in the world of the Ancient Near East a detailed study of New Testament texts investigates the practice of discipling by Jesus and his followers and in the church of the first century An understanding of the concept of discipling is gained by gradually refining its definition as the study progresses through a contemporary examination of other informal models of education Religious and educational research findings are explored to enable the validity of the discipling model to be determined Finally the definition is used as a benchmark to examine various contemporary educational theories within the community of faith In contrast to the schooling model discipling has been shown to be an effective model for teaching attitudes values and behavior as well as knowledge and beliefs in today s church Its emphasis on commitment to learning relationships within a nurturing community and active involvement in the mission of Christ to the world and its capacity to adapt to differences in age culture ability and interests make it a model of teaching worthy of much greater attention by the Christian faith community **The Gospel of John** Herman Ridderbos, 1997-06-11 This excellent commentary by Herman Ridderbos engages seriously the host of twentieth century interpretations of John while also developing its own integral understanding of John in which the Gospel emerges as a profoundly theological work Ridderbos presents John in its distinctively apostolic character and includes important criteria for the literary and homiletical exegesis

of the Fourth Gospel **Irrepressible Light** Sharbaugh, Patricia, 2020 In a very personal way revealing her everyday ordinary spiritual life the author focuses on New Testament stories about woman who encountered Jesus **Evil Gods and Reckless Saviours** Timo Eskola, 2011-09-09 Late twentieth century Jesus novels carve out a completely new picture of Jesus Those written by Norman Mailer Jose Saramago Michele Roberts Marianne Fredriksson and Ki Longfellow among others provide inversive revisions of the canonical Gospels Their adaptations often turn into a critique of the whole of Christian history The contrast novels investigated in this study end up with appropriations that are based on prototypical rewriting They aim at the rehabilitation of Judas and some of them make Mary Magdalene the key figure of Christianity Saramago describes God as a bloodthirsty tyrant and Mailer makes God battle the devil in a Manichaen sense as with an equal The main result of this intertextual analysis is that these authors have adopted Nietzschean ideas in their writing An attack on the so called biblical slave morality and violent concept of God deprives Jesus of his Jewish messianic identity makes Old Testament law a contradiction of life calls sacrificial soteriology a violent paradigm supporting oppression and presents God as a cruel monster As a result Jewish faith appears in a negative light Apparently Western culture still harbours anti Judaic attitudes albeit hidden beneath sentiments of equality and tolerance Timo Eskola skillfully shows that despite the evident post Holocaust consciousness present in the novels they actually adopt an arrogant and ironic refutation of Jewish beliefs and Old Testament faith **ON THIS DAY Heavenly Food for Spiritual Hunger** Fr. Evolutionary Love Relationships Andrew Harvey, Chris Saade, 2017-01-17 In this profoundly uplifting book authors and sacred activists Andrew Harvey and Chris Saade call us to the next paradigm in human relations love connections that are solidly grounded in individual authenticity and passionately focused on service and solidarity Rather than limiting their gaze to each other partners are invited to take their focus outward channeling their energies toward those causes that both unite them and transform the world we live in With love as the fuel for inspired action the relationship becomes a homage to sacred purpose finding its deeper meaning in its efforts to positively influence the planet There are many books that invite us to focus on love relationship its perils and delights its shadow and light as the place where meaningful change happens and there are others including some potent ones written by these two authors individually that invite us to unite our individual spiritual paths sacred purpose callings and the like with benevolent action but this is the first book that focuses on the next step the bringing together of sacred activism and love relationship Evolutionary Love Relationships contains a powerful vision that offers humanity a path to coupledness not as a privatized escape or preoccupation but a path to evolve into dedicated activists whose combined purpose is to utilize their resources to help and sustain the planet and which does not forsake but includes the pleasure of personal fulfillment between the bonded pair They can enjoy the fullness of divine human love in the depths of their own personal relationship supporting each other's authenticity but also enjoy it in the ways that those healing depths make them powerful and strong and lucid and vibrant enough to go out into the world and pour their gifts out for the transformation of the planet What is really at stake is this If we continue to have a vision of relationship as purely personal purely private and something that we cultivate only for our own pleasure we will keep feeding the tragic narcissism that is now ravaging the planet on every level The real thrust and purpose and divine importance of relationship is to give us the fuel to take on the world to give us the passion to embrace the causes of justice to give us the energy to keep on pouring ourselves out for the transformation of the planet With a foreword by An Uncommon Bond author Jeff Brown this inspiring book shows us the way to turn our love relationship into a prayer for world transformation And not just a passive prayer but a prayer in action impassioning the world with a bonfire of sacred and benevolent activism that cannot be stopped This prayer may well save us
