Chamberlin,1995 This synthesis will be of interest to administrators including contract and specifications administrators research construction materials specification and design engineers agency project managers and staff and highway construction contractors It describes the state of the practice with respect to the development and present status of performance related specifications PRS for highway materials and construction This report of the Transportation Research Board summarizes the historical events that have prompted U S interest in PRS development and describes the underlying concepts In addition it describes current practice with regard to PRS implementation and refers to the principal PRS literature with emphasis on performance and cost models It emphasizes the utility of PRS in providing objective rational measures that can be used for special contract conditions such as incentive

or disincentive adjustments *Engineering Construction Specifications* J. Goldbloom, 2012-12-06 For the past 25 years Joe Goldbloom and I have conducted a running debate over whether specifications writers engage in the unlawful practice of law Joe's position is that lawyers have no business writing specifications that being the designer's province Having been given the honor to write this foreword I have the opportunity for the last word at least for now Joe Goldbloom and I first met in 1964 while serving together on the ASCE Committee on Contract Administration Joe became my teacher mentor and friend Underlying our good natured debate was the serious issue of the technical qualifications required of a specifications writer As a matter of fact specifications writing traditionally has fallen in a crack between the two professions Specifications writing typically is neither taught in engineering school nor in law school Engineers are taught how to design lawyers are taught how to draft contracts Specifications writing requires mastery of the technical elements of design as well as the skills of contract drafting Specifications writing is neither glamorous nor sexy it is often viewed as a necessary evil of the designer's job
