accompanied by six sets of thematically arranged primary documents and illustrations designed to fit many different approaches to Shakespeare's play and the early modern culture out of which the play emerges. The texts include travel accounts, poetry excerpts from early modern fencing manuals, royal proclamations and statutes, tables and prognostications from an early modern almanac, and orders for religious ceremonies from The Book of Common Prayer. Unique to this edition too is the inclusion of numerous unpublished manuscript letters of the Bagot family and some poignantly moving passages from the diary of Lady Anne Clifford. The documents contextualize the social relationships among men in Shakespeare's time, violence in Elizabethan society, views of love and the Petrarchan paradigm, spiritual life, family in Elizabethan society, and ideas about astrology, medicine, and death.

Romeo and Juliet is set in Verona, Italy, where there is an ongoing feud between the Montague and Capulet families. The play opens with servants from both houses engaged in a street brawl that eventually draws in the family patriarchs and the city officials, including Prince Escalus. The Prince ends the conflict by issuing a decree that prohibits any further fighting at the risk of great punishment. Meanwhile, Romeo, a young man from the Montague house, laments his unrequited love for a woman named Rosaline, who has vowed to remain chaste for the rest of her life. Romeo and his friend Benvolio happen to stumble across a Capulet servant, Peter, who is trying to read a list of invitees to a masked party at the Capulet house that evening. Romeo helps Peter read the list and decides to attend the party because Rosaline will be there. He plans to wear a mask so that he will not be recognized as a Montague. Romeo arrives at the Capulets' party in
