Handbook of Research on Applying Universal Design for Learning Across Disciplines: Concepts, Case Studies, and Practical Implementation Fovet, Frederic,2021-01-22 Universal design for learning UDL has been hailed for over a decade as a revolutionary lens that allows campuses to shift their efforts to create inclusive environments In recent years UDL has gone beyond the field of disability and been explored with regards to international and indigenous students There is now a sizable body of literature that details the benefits of implementing UDL in higher education as well as a number of emerging studies examining the strategic challenges of developing UDL across institutions There is however still a relative paucity of research discussing the transformation of instruction or assessment in concrete terms Therefore there is a necessity for research and information on UDL that has already been implemented in classrooms and the practical examples of what this process of transformation looks like The Handbook of Research on Applying Universal Design for Learning Across Disciplines Concepts Case Studies and Practical Implementation offers practical examples of UDL having successfully been embedded in courses within various disciplines and classroom formats as well as across the undergraduate and graduate sectors The chapters provide case studies and concrete examples of what the UDL reflection on practice might look like in specific faculties and departments While highlighting UDL in areas such as educational technology student engagement assignment design and inclusive education this book is ideally intended for

inservice and preservice teachers administrators teacher educators higher education professors and leaders practitioners researchers academicians and students interested in the integration of UDL into strategic academic plans **Nuclear Decommissioning Case Studies: Organization and Management, Economics, and Staying in Business** Michele Laraia,2023-01-11 Nuclear Decommissioning Case Studies Organization and Management Economics and Staying in Business is the fifth volume in Michele Laraia s series which presents a selection of global case studies on different aspects of nuclear decommissioning This volume focuses on organization economics and performance experience offering the reader guidance on project management staffing costs and funding and training It guides those responsible for the planning and implementation of nuclear decommissioning to ensure thorough and reliable applications Decommissioning experts including regulators operating organizations waste managers researchers and academics will find this book to be suitable supplementary material to reference works on the theory and applications of nuclear decommissioning Readers will obtain an understanding of many key case studies including what happened and what they can learn from the events quoted to help supplement solidify and strengthen their understanding of the topic Presents a selection of global case studies which focus on organization economics and performance of nuclear decommissioning in relation to project and industry sustainability with a focus on management funding and training aspects Includes 100 case studies on project management costs and funding and teaching and learning Based on experience and lessons learned assists the reader in developing and implementing decommissioning plans while ensuring the availability of technical financial and human resources at all times

Taking Stock of Industrial Ecology Roland Clift,Angela Druckman,2015-12-11 How can we design more sustainable industrial and urban systems that reduce environmental impacts while supporting a high quality of life for everyone What progress has been made towards reducing resource use and waste and what are the prospects for more resilient material efficient economies What are the environmental and social impacts of global supply chains and how can they be measured and improved Such questions are at the heart of the emerging discipline of industrial ecology covered in Taking Stock of Industrial Ecology Leading authors researchers and practitioners review how far industrial ecology has developed and current issues and concerns with illustrations of what the industrial ecology paradigm has achieved in public policy corporate strategy and industrial practice It provides an introduction for students coming to industrial ecology and for professionals who wish to understand what industrial ecology can offer a reference for researchers and practitioners and a source of case studies for teachers **Brand Equity Planning with Structuralist Rhetorical Semiotics** Rossolatos, George,2014-01-01

Brand Equity Planning with Structuralist Rhetorical Semiotics furnishes an innovative conceptual model and methodology for brand equity planning with view to addressing a crucial gap in the existing marketing and semiotic literatures concerning how advertising multimodal textual elements may be transformed into brand associations with an emphasis on rhetorical relata as modes of connectivity between a brand s surface and depth grammar The scope of this project is inter disciplinary

spanning research areas such as brand equity structuralist semiotics textual semiotics visual and film semiotics multimodal rhetoric Film theory psychoanalysis The proposed connectionist model of the brand trajectory of signification is operationalized through a methodological framework that encompasses a structuralist semiotic interpretative approach to the textual formation of brand equity supported by quantitative content analysis with the aid of the software Atlas ti and the application of multivariate mapping techniques

Imperiled Whiteness Penelope Ingram,2023-06-23 In *Imperiled Whiteness* Penelope Ingram examines the role played by media in the resurgence of white nationalism and neo Nazi movements in the Obama to Trump era As politicians on the right stoked anxieties about whites losing ground and being left behind media platforms turned whiteness into a commodity that was packaged and disseminated to a white populace Reading popular film and television franchises Planet of the Apes Star Trek and The Walking Dead through political flashpoints such as debates over immigration reform gun control and Black Lives Matter protests Ingram reveals how media cultivated feelings of white vulnerability and loss among white consumers By exploring the convergence of entertainment news and social media in a digital networked environment Ingram demonstrates how media s renewed attention to imperiled whiteness enabled and sanctioned the return of overt white supremacy exhibited by alt right groups in the Unite the Right rally in Charlottesville in 2017 and the Capitol riots in 2021
