### **Masque The Two Monarchies Sequence:**

*Masque* W. R. Gingell, 2015 Beauty met the Beast and there was bloody murder It's the Annual Ambassadorial Ball in Glause and Lady Isabella Farrah the daughter of New Civet's Ambassador is feeling pleasantly scintillated In the library is Lord Pecus a charming gentleman whose double mask hides a beastly face and who has decided that Isabella is the very person to break the Pecus curse In the ball room is young Lord Topher who is rapidly falling in love with an older woman And in the card room lying in a pool of his own blood is the body of one of Isabella's oldest friends Raoul Civet's Head Guardsman The papers sewn into his sash seem to suggest espionage gone wrong but Isabella is not so certain Lord Pecus as Commander of the Watch is of the opinion that Isabella should keep out of the investigation and out of danger Isabella is of the opinion that it is her murder to investigate and that what a certain Beast Lord doesn't know won't hurt him Will Isabella find the murderer before Lord Pecus does or will she end her investigation as a bloody spatter on the parlour floor

*Masque* W.R. Gingell, 2017-08-01 Old maids Murder Masked Beast Lords Lady Isabella Farrah didn't expect a proposal from a masked man at the Annual Ambassadorial Ball nor did she expect a murder She got both Happily for society at large Isabella is of the opinion that noses were made for sticking into other people's business and she is delighted to do just that in the service of the murdered man and perhaps in service of a certain Beast Lord who is not as grateful as Isabella thinks he ought to be Now it's just a matter of finding a murderer in a society of malcontents traitors and bad dancers It's a game of masks and the Beast Lord isn't the only person hiding behind one      *Wolfskin* W.R. Gingell, 2015-05-01 If you want adventure you have to march right up to it and kick it in the shins At fourteen barefoot and running wild Rose is delighted to be apprenticed to Akiva the witch of the forest She thinks it will be all enchantment and excitement and not so much fuss about baths The reality is much more sober and practical that is until she meets a mysterious wolf in the forest and is tricked into stepping off the path In young naive Rose Bastian sees a way of escape Cursed to remain in the shape of a wolf after running afoul of a powerful enchantress he has lived many decades under a spell and now he is both desperate and ruthless But by breaking part of Bastian's curse Rose has caught the attention of Cassandra the enchantress who cursed him and Cassandra is by no means ready to forgive and forget Meanwhile wardens have been disappearing from the forest one by one Rose is certain that Cassandra is behind the disappearances but can she and Bastian get to the bottom of the matter before Akiva disappears as well And are Bastian's motives entirely to be trusted Sometimes the little girl in the red hood doesn't get eaten and sometimes the wolf isn't the most frightening thing in the forest *Wolfskin* is the Prequel Novel to the Two Monarchies Sequence      *Castle & Key* W.R. Gingell, 2024-01-10 A groom with a beard of blue a bride in lace of gold and a house running red with blood Returning to Glause from a diplomatic mission with her own personal cohort of Horselords Susan Farrah is looking forward to a hot meal and a good night's sleep at the closest inn Once ensconced in her room however what she finds is a frightened young woman in golden lace hiding in her wardrobe The next morning Susan learns

that her late night visitor was a new bride passing through the town on her way to the castle on the hill the latest in a long line of castle brides and the only one still alive No one seems to know if the house itself is consuming bride after bride or if the groom is marrying and then murdering his brides for reasons of his own Obviously someone needs to do something and luckily the castle has an opening for a maid All Susan needs to do is stash her favourite Glausian Horselord in the pantry for a few nights to watch her back while she solves the mystery and avoid any unnecessary household drama **Elizabeth** John Alexander Guy, 2016 COSTA AWARD FINALIST ECONOMIST BOOK OF THE YEAR FINANCIAL TIMES BOOK OF THE YEAR Film rights acquired by Gold Circle Films the team behind My Big Fat Greek Wedding A fresh thrilling portrait Guy's Elizabeth is deliciously human Stacy Schiff The New York Times Book Review A groundbreaking reconsideration of our favorite Tudor queen Elizabeth is an intimate and surprising biography that shows her at the height of her power Elizabeth was crowned queen at twenty five but it was only when she reached fifty and all hopes of a royal marriage were behind her that she began to wield power in her own right For twenty five years she had struggled to assert her authority over advisers who pressed her to marry and settle the succession now she was determined not only to reign but to rule In this magisterial biography John Guy introduces us to a woman who is refreshingly unfamiliar at once powerful and vulnerable willful and afraid We see her confronting challenges at home and abroad war against France and Spain revolt in Ireland an economic crisis that triggers riots in the streets of London and a conspiracy to place her cousin Mary Queen of Scots on her throne For a while she is smitten by a much younger man but can she allow herself to act on that passion and still keep her throne For the better part of a decade John Guy mined long overlooked archives scouring handwritten letters and court documents to sweep away myths and rumors This prodigious historical detective work has enabled him to reveal for the first time the woman behind the polished veneer determined prone to fits of jealous rage wracked by insecurity often too anxious to sleep alone At last we hear her in her own voice expressing her own distinctive and surprisingly resonant concerns Guy writes like a dream and this combination of groundbreaking research and propulsive narrative puts him in a class of his own Significant forensic and myth busting John Guy inspires total confidence in a narrative which is at once pacy and rich in detail Anna Whitelock TLS Most historians focus on the early decades with Elizabeth's last years acting as a postscript to the beheading of Mary Queen of Scots and the defeat of the Spanish Armada Guy argues that this period is crucial to understanding a more human side of the smart redhead The Economist Book of the Year *Elizabeth* John Guy, 2017-03-07 COSTA AWARD FINALIST ECONOMIST BOOK OF THE YEAR Film rights acquired by Gold Circle Films the team behind My Big Fat Greek Wedding A groundbreaking reconsideration of our favorite Tudor queen from the author of Queen of Scots now a feature film starring Saoirse Ronan and Margot Robbie A fresh thrilling portrait Guy's Elizabeth is deliciously human Stacy Schiff The New York Times Book Review Elizabeth was crowned queen at twenty five but it was only when she reached fifty and all hopes of a royal marriage were behind her that she began to wield power in her own right For twenty five years she had
