

50 Useful Tips for Speaking English Fluently

1 Be realistic about your English learning goals

Do not expect your English to be as good as that of a native speaker even after taking up the language. It takes time.

2 Practice speaking as well, not just reading and listening

While reading and listening can help you learn a lot about the language, the only way to speak better English is by speaking it yourself.

3 Practice speaking English whenever you get a chance

Do not pass up a chance to speak English whenever one arises.

4 Get native English-speaking friends and practice speaking with them

If you want to speak English like a native, you should have friends who speak it like you would like to.

5 Do not be afraid of making mistakes

Mistakes are part of learning; they help you know where you need to make improvements to become a better English speaker.

6 Use simple sentences at first, then progress to more complex sentences

You have to start from somewhere. Do not struggle to master the complex language parts until you have mastered the basics.

7 Get a reliable English learning course

Having the right English speaking course can accelerate the rate at which you learn to speak this language fluently.

8 Make an effort to improve your pronunciation

The way you pronounce certain words could be the reason your English speaking skills seem a little off. So, practice saying some problematic words properly.

9 Try saying something extra

Do not give one-word replies like 'yes' and 'no'. Try to say something more to build your skills and your confidence.

10 Learn from your mistakes

Once you learn you tend to make a certain mistake, work on getting rid of it, and over time, your English will improve considerably.

11 Listen to English-language music

Listening to music that is easy to follow in English can help you master how to speak the language faster, especially when you try to sing along to the lyrics.

12 Learn some English tongue twisters

Tongue twisters can reveal certain weaknesses in your speaking skills, and you can know where you need more practice to speak the language more fluently.
