### APPLICATION FOR 2013 BURSARY

I was raised in a poor, yet well-educated family. I would like to get a B Accounting degree and do my honours at Stellenbosch University.

My single mother works hard for our money, yet we still have a lot of debt. At this moment, I would do anything for a chance to improve my life and to work towards achieving success. I see myself as the perfect candidate for this bursary as I am dedicated to making a success of my studies and becoming a Chartered Accountant.

Leave bigger spaces  
between paragraphs

Accounting has always been my passion. From grade 9 I have always known that I want to study to become a Chartered Accountant. On the academic front I have a 81% average and achieved A symbols for Maths and Accounting. I do not aim to pass, I aim to get distinctions.

I look forward to your response and decision on the bursary.

Yours faithfully

Correct salutation

poses problems of a linguistic nature however for the advanced EFL learners writing in L2 also creates opportunities they would never have when composing in their mother tongue
