

Ford Club Wagons. The luxurious look and value for '76.

Ford redesigned the club wagon.... created a new generation of value, usefulness and luxury in a versatile wagon that can seat up to 12 people in spacious comfort on easy 2000-pound loads (passengers and luggage). The engine and front axle have been moved forward.... wheelbases are out of the way.... there's more room for driver and front passenger.

Rugged durability. The Ford Club Wagon is the only wagon of its type to have separate body/frame construction (as opposed to unitized body). This construction makes for rugged strength and long life. And to protect the body from the effects of time and weather, Ford takes three extra steps: key body components are galvanized, others are coated with electrolytic primer.... and then the entire body gets a deep-dip electrolastic primer process.

You'll feel, too, a solid "command" feeling in role and handling.... and a quiet that was available. It's the quiet you get with an up-front engine, insulating and body-on-frame construction, high vibration-dampening rubber body mounts. Two wheelbases—124 and 128 inches—and redesigned Twin-I-Beam front suspension smooth the ride. Power front disc brakes with a 30% greater resistance to fade than previous drum type are standard.... power steering and radial tires are optional.

The Club Wagon's luxury is evident from the Chrysler-like interiors at right. And a host of modern innovations and options are offered.... privacy glass, AM/FM stereo radio with tape player, fingertip speed control, and many more as shown on pages 4 and 5.

Exceptional service too. Ford's engine-forward design allows convenient routine service from the front. Now, up to 24 easy walk-in service checks.

Ford Club Wagons combine separate body/frame construction, heavy-duty truck engines, powertrains and suspension.... with important options like auxiliary fuel tank for up to 42.5-gallon total capacity and trailer towing packages.... all in a comfortable, luxurious wagon with rugged, smooth riding Twin-I-Beam independent front suspension.

Your driving ease starts with a well-designed, functional instrument panel. Visibility is great with a big lower 16-in. x 4-in. viewpoint area.... 10% larger than the previous design. The options shown in the Chrysler Club Wagon illustrations are: AM/FM stereo radio, air conditioning, fingertip speed control, five-speed Cruise-O-Matic transmission, Captain's Chairs with Apple-loom inserts, seating for 12, 200W tires, low-mount mirrors, Special Tie-Tone, and full wheel covers.
