Grey,2022-11-22 I've been in love with my brother's best friend since I was twelve and twenty years later Erik Osouf is still so far out of my league we aren't even playing the same sport Not that I play sports That means talking to people and my social anxiety makes that all but impossible It also makes my brother incredibly overprotective and while I love that Stef always has my back it's why I still can't tell Erik how I feel It would wreck their friendship and after everything Stef's done for me I won't ever be the cause of that I just wish my heart would get that memo For years I thought of Jules Evans as the quiet sweet kid who regularly crushed me at Mario Kart and let fireflies loose in our camping tent Then he accidentally admits he's in love with me He doesn't remember saying anything and I'd never embarrass him by mentioning it but since then I can't stop thinking about kissing him If it was anyone else I'd probably have told them how I feel by now But he's my best friend's younger brother The same best friend who told me Jules is off limits That makes this all kinds of impossible Unless I can convince them both I'm the right man for Jules Choose Me is a low angst brother's best friend contemporary MM romance about flawed but devoted families taking chances and sweet cinnamon roll Vikings It contains no cheating and a guaranteed happily ever after *L'Annuel de l'automobile 2025* Benoit Charette, Eric
