God S Flashing Sword:

God's Flashing Sword Todd Houchin, 2014-12-24 As I set on this comfortable couch I can't shake this feeling like something in my life went amiss I know not why I've had a good life no doubt I've sown my wild oats and settled in Middle America with a good paying job My family and friends provide me all that I believe is required of them Yet still it goes deeper than that and no matter how good or bad or board or stimulating life becomes deep down I will always know something's not right and all that I understand of that is my soul burns because of it I am not alone Jove felt the same way you may too And there is some comfort in that I guess though he did something about it I will never forget the beginning of it He said with tears and shame I've sacrificed my passion for comfort ability In fact that is why I am here on the couch now pondering the very same But I digress because this is not my story It's a good thing too because I could end it with this sentence No this is the tale of Jove a man with a story to tell I must clarify that this is no ordinary tale It's more like two tales in one Wait that sentence made me laugh Could you imagine such a creature with two tails Anyway it is as I say One is earthly as you'd expect filled with bends and twists sorrow and shame betrayal and death What You perceive I lie Well how else does one come from his comfy couch in Middle America to the threatening jungles of Vietnam That takes some winding does it not But thrilling as it may be that's not what excites me most No There is another story here much bigger than any one man's It's my story It's your story it's what's amiss
