Kerstetter,2006 While many studies of religion in the West have focused on the region s diversity freedom and individualism Todd M Kerstetter brings together the three most glaring exceptions to those rules to explore the boundaries of tolerance as enforced by society and the U S government God s Country Uncle Sam s Land analyzes Mormon history from the Utah Expedition and Mountain Meadows Massacre of 1857 through subsequent decades of federal legislative and judicial actions aimed at ending polygamy and limiting church power It also focuses on the Lakota Ghost Dancers and the Wounded Knee Massacre in South Dakota 1890 and the Branch Davidians in Waco Texas 1993 In sharp contrast to the mythic image of the West as the Land of the Free these three tragic episodes reveal the West as a cultural battleground in the words of one reporter a collision of guns God and government Kerstetter asks important questions about what happens when groups with a deep trust in their differing inner truths meet and he exposes the religious motivations behind government policies that worked to alter Mormonism and extinguish Native American beliefs **Back to God's Country** James Oliver Curwood,2012-10-01 At the height of his literary career Michigan born author James Oliver Curwood was reported to be the highest paid writer in the world The collection Back to God s Country and Other Stories brings together some of Curwood s most memorable shorter pieces many of which are set in the rugged wilderness of northwest Canada *God's Country And the Woman* James Oliver Curwood,2020-09-28 **The Gap in God's Country** Laurie M. Johnson,2024-10-18 Laurie M Johnson argues that America s culture wars may seem to have erupted in the past couple of decades but they go back centuries For those who think that Christian nationalism or right wing populism is the problem to

be solved that some people simply need to understand Christianity or politics better and become reasonable read on Christian nationalism and other ideological extremes are symptoms of major economic technological spiritual and psychological shifts that have left too many people uprooted disenchanted and precarious There are no easy answers but Johnson tries to show a path out that enlists not only individuals but also church and state Without leadership and structure provided at the levels of the church and state Christians and those impacted by them will remain part of the problem and not the solution Johnson says to Christians change is not talk it s action and Christian action can only happen with leadership that creates a context where we can work together rather than wasting our time in culture wars
