differently because that s His nature God is love 1 John 4 8 16 But in this fallen world our tendency is to drift away from Him and His nature While God s love for us is steadfast we often resist receiving and giving love the way that God intended Sadly many of us have forgotten what true love is and what it feels like True love often referred to as unconditional love blossoms when the giver recognizes the inherent value of the recipient of their love Thus it should come as no surprise that God lavishes each of us with unparalleled unconditional love It s no surprise because who knows our inherent value better than God Himself After all He created us God does not withhold His love waiting for us to believe in Him or otherwise get our act together God loves us throughout our journey Being loved despite our flaws is the very essence of what it means to be loved unconditionally What does this feel like There are infinite manifestations but all are synonyms of unadulterated joy And how do we respond Do we accept God s love for ourselves and then conveniently disregard the inherent value of everyone else I sincerely hope not as Jesus teaches Love one another as I have loved you John 15 12 The focus of From Love Zero to Love 360 is to survey the breathtaking topography of God s nature to love each of us and to encourage us likewise to recognize the inherent value of every person not the least of whom is ourselves All net proceeds from the sale of this book are given to the National Suicide Prevention Lifeline the National Domestic Violence Hotline and potentially additional nonprofit organizations having similar goals
