

Monitoring

- Regional manager should monitor private colleges in the region and ensure that they do not undermine the credibility of examination
- Regional managers must ensure that there is no leakage of question papers in the regions
- Regions will be judged based on a dashboard in respect of their compliance with examination and assessment policies
- Major shortcomings of the colleges include the management of ICASS, capturing of ICASS marks and presenting evidence of marks, changing of captured marks and these activities undermine the credibility of examination
- The DHET will conduct an audit of the capturing of marks for colleges that are deemed to serial offenders for a period until they have proven to have the capacity to capture marks accurately.

Open and Distance Education in Asia, Africa and the Middle East Olaf Zawacki-Richter, Adnan Qayyum, 2019-02-18 This book is open access under a CC BY 4.0 license This book describes the history structure and institutions of open and distance education in six countries China India Russia Turkey South Africa and South Korea It describes how open and distance education is evolving in a digital age to reflect the needs and circumstances of the national higher education systems in these countries It also explores the similarities and differences between how their open and distance higher education systems are managed and structured This book is the second in a series following *Open and Distance Education in Australia Europe and the Americas* Springer 2018 Both books compare and draw conclusions about the nature of open and distance education in the context of various national higher education systems In a digital era characterized by the growing use of online open and distance education this book will prove particularly valuable for policy makers and senior administrators who want to learn about establishing or expanding open and distance education services In addition it offers a valuable reference guide for researchers academics and students interested in understanding the different approaches to open and distance education

Writing Centres in Higher Education Sherran Clarence, 2017-10-11 This collection of essays reflects on the ways in which writing centres in South Africa are working in and across disciplines Institutional constraints and challenges that arise from these collaborations are addressed and opportunities for transforming teaching and learning spaces are explored The chapters

speak to the global move in higher education to reconsider how knowledge is made who makes it and how support and development opportunities for students and lecturers should be created and sustained across the disciplines This volume contributes to the body of knowledge in the growing field of the scholarship of teaching and learning in higher education in South Africa It builds on the work of the first collection of such essays Changing Spaces Writing Centres and Access to Higher Education Eds A Archer and R Richards 2011 SUN PReSS to understand why working within the disciplines is so critical for writing development in a South African context

Twenty Years of Education Transformation in Gauteng 1994 to 2014 Felix Maringe, Martin Prew, 2015-05-05 Twenty Years of Education Transformation in Gauteng 1994 to 2014 An Independent Review presents a collection of 15 important essays on different aspects of education in Gauteng since the advent of democracy in 1994 These essays talk to what a provincial education department does and how and why it does these things whether it be about policy resourcing or implementing projects Each essay is written by one or more specialist in the relevant focus area The book is written to be accessible to the general reader as well as being informative and an essential resource for the specialist reader It sheds light on aspects of how a provincial department operates and why and with what consequences certain decisions have been made in education over the last 20 turbulent years both nationally and provincially There has been no attempt to fit the books chapters into a particular ideological or educational paradigm and as a result the reader will find differing views on various aspects of the Gauteng Department of Education's present and past We leave the reader to decide to what extent the GDE has fulfilled its educational mandate over the last 20 years

Transforming Universities in South Africa, 2020-08-31 The idea of transformation in higher education underpins all policy documents academic literature and on going debates in South Africa Transforming Universities in South Africa Pathways to Higher Education Reform responds to the pressing need to comprehensively review the post apartheid experience and assess where South Africa's higher education stands across the continent and globally particularly within the country's efforts to overcome decades of socio economic imbalances It addresses the question of whether South Africa's transformation strategy from apartheid to democracy was simply a symbolic new flag raising and new anthem singing exercise reflecting a transition akin to those limited decolonization projects elsewhere in the world or whether something more fundamental was possible and was achieved with political and policy implications for other countries in Africa and globally This volume's ultimate purpose is to provide a basis for imagining new futures in which South Africa higher education in the context of Africa and the global world takes centre stage

Technological innovation (4IR) in law teaching and learning: Enhancement or drawback during Covid-19 Charles Maimela, 2022-12-30 Technological innovation 4IR in law teaching and learning Enhancement or drawback during Covid 19 book emerged from a lecture series the Faculty of Law at UP hosted in the 2021 academic year Aiming to test the state of teaching and learning during the pandemic the lecture series asked whether ERT and learning ERTL compromised or enhanced the teaching and learning of

law Among others various academics from UP Law as well as from the universities of KwaZulu Natal Johannesburg and Free State as well as officials from the DHET participated in the series This collection comprises chapters written by some of the representatives who were involved in the lecture series This book aims to set the tone for teaching and learning of law after the pandemic It is our hope that the lessons learnt during the pandemic will be adopted in the day to day teaching pedagogy of law in the future Despite the disruptions caused by the pandemic a possibly unseen benefit can be identified As this book argues law teaching and learning using technological innovations have been positive for both academics and students Thanks to technological innovation the discipline of law is arguably in a far better position after the pandemic than before *U.S. Geological Survey Professional Paper*, 1961
