

# Proper Document citation

---

- A document may be cited in one of three ways:
    - 1. Identification by title, written into the body of the essay: . . . *in Daniel Webster's reply to Jackson's Veto Message, Daniel Webster betrays his High Federalist convictions.*
    - 2. Identification through description: . . . *Webster's reply to Jackson reveals the Senator's High Federalist convictions.*
    - 3. Identification through description with a supporting tag: . . . *Webster's reply to Jackson reveals the Senator's High Federalist convictions [Doc C].*
  - When a document is used multiple times in the same essay, the citing may be relaxed in subsequent uses: e.g. *Webster's reply also shows . .*
  - Remember only use the documents to support an argument based on outside information, never paraphrase or quote from the document.
-
