Europe North Africa and South America to give us an up close sense of the identities and art forms of urban Muslim youth We see how the current cultural and political turmoil in Europe s urban periphery echoes that moment in the 1910s when Islamic movements began appearing among African Americans in northern American cities and how the Black Freedom Movement and the words of Malcolm X have inspired the increasing racialization and radicalization of young Muslims today More unexpected is how the United States and some of its allies have used hip hop and Sufi music to try to deradicalize Muslim youth abroad Aidi s interviews with jazz musicians who embraced Islam in the post World War II years and took their music to Europe and Africa recall the 1920s when jazz inspired cultural ferment in Europe and North Africa And his conversations with the last of the great Algerian Andalusian musicians who migrated to Paris s Latin Quarter after the outbreak of the Algerian War in 1954 speak for the musical symbiosis between Muslims and Jews in the kasbah that attracted the attention of the great anticolonial thinker Frantz Fanon Illuminating and groundbreaking Rebel Music takes the pulse of the phenomenon of this new youth culture and reveals not only the rich historical context from which it is drawn but also how it can foretell future social and political change

African Youth Cultures in a Globalized World Paul Ugor, Lord Mawuko-Yevugah, 2016-03-09 All over the world there is growing concern about the ramifications of globalization late modernity and general global social and economic restructuring on the lives and futures of young people Bringing together a wide body of research to reflect on youth responses to social change in Africa this volume shows that while young people in the region face extraordinary social challenges in their everyday lives they also continue to devise unique ways to reinvent their difficult circumstances and prosper in the midst of seismic global and local social changes Contributors from Africa and around the world cover a wide range of topics on African youth cultures exploring the lives of young people not necessarily as victims but as active social players in the face of a shifting late modernist civilization With empirical cases and varied theoretical approaches the book offers a timely scholarly contribution to debates around globalization and its implications and impacts for Africa s youth
