How to Cook Husbands Elizabeth Strong Worthington, 2018-08-07 *How to Cook Husbands Large Print* By Elizabeth Strong Worthington A while ago I came across a newspaper clipping a recipe written by a Baltimore lady that had long lain dormant in my desk It ran as follows A great many husbands are spoiled by mismanagement Some women go about it as if

their husbands were bladders and blow them up others keep them constantly in hot water others let them freeze by their carelessness and indifference Some keep them in a stew by irritating ways and words others roast them some keep them in pickle all their lives Now it is not to be supposed that any husband will be good managed in this way turnips wouldn't onions wouldn't cabbage heads wouldn't and husbands won't but they are really delicious when properly treated In selecting your husband you should not be guided by the silvery appearance as in buying mackerel or by the golden tint as if you wanted salmon Be sure to select him yourself as taste differs And by the way don't go to market for him as the best are always brought to your door We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience

How to Cook Husbands Elizabeth Strong Worthington, 2011-07 How to Cook Husbands is Elizabeth Strong Worthington's salty advice on marital relations from the year 1898 It is a good cook that makes an appetizing dish out of poor material she writes and the idea here is to concoct a delicious husband out of little or nothing The recipe goes like this 1 Take one headstrong woman of 34 Miss Constance Leigh 2 Stir in two suitors the handsome bounder Mr Chance and the proper and practical Mr Gregory 3 Pepper with Miss Leigh's kitchen wisdom applied to courtship and marriage Don't stew a man don't

grill him or jab him to see if he's tender that is but add plenty of sugar And if he turns out tough anyway open the kitchen door and heave him in the ash barrel The question is which entree Miss Leigh will choose for her own main course and what she'll make of her husband in this comic romance that gives a new meaning to home home on the range *How to Beat My Husband's Mistress*. Scholastica Bassey, 2016-05-18 *How to Beat My Husband's Mistress* is the first book of its kind While many women choose divorce in the face of infidelity this book argues wives don't have to abandon their marriages lives or accomplishments nor subject their children if they have them to the cruel effects of infidelity and divorce Instead it offers wives alternatives to beat their husbands mistresses with dignity and class without any physical or electronic contact Why should you allow fellow women to beat you out of your home and marriage You have everything in your power as a woman and as a wife to beat his mistress You're not a quitter You should take the bull by the horns do what needs to be done and beat the mistress out of your life and marriage for good **How to Cook Husbands** Elizabeth Strong
