Mental Nurses Training

Manual David 'Khyber' Close, 2023-05-03 Back at the end of the 1970s, three hundred copies of *Neglect Violence Mental Nurse's Training Manual* were released by Wombat Printing NL to friends and the nurse's underground. Forty-plus years later, it is now released to the public with little danger of litigation regarding libel or defamation. The back cover blurb for *MENTAL NURSES TRAINING MANUAL* then had it that: An ex-psychiatric nurse recalls his experiences after reporting a bashing and drinking on duty to his superiors. He exposes a cover-up by the hospital authorities and the State government bureaucracy then known as the Mental Health Authority. His report details murder and suicide cases and hints at widespread cruelty and indifference. His memories and impressions of the people he met working at a Melbourne mental hospital add colour to a subject which bears thinking about.
