Theory and Praxis M.S. Pandey,R.N. Rai,Anita

Singh,2015-04-01 The present anthology is a collection of fifteen research papers which critically explore the multiple dimensions of contemporary literary theory It provides a wide spectrum of theories and shows their application to different texts across the globe The twentieth and twenty first centuries were witness to three major movements namely Marxism Feminism and Postcolonialism which have led to a serious reconsidering of the so called metanarratives of literature science history economics philosophy and anthropology These movements have brought together a wide variety of human discourses and have made literary theory an interdisciplinary body of cultural theory which has now become an important model of inquiry into the intricacies and complexities of human existence The anthology includes articles on poststructuralism postcolonialism postmodernism postfeminism orientalism nationalist and hegemonic discourses subalternity gender identity eco criticism and global aesthetics by eminent scholars and critics

Schleiermacher's Plato Julia A. Lamm,2021-11-08

Friedrich Schleiermacher s Platons Werke 1804 28 changed how we understand Plato His translation of Plato s dialogues remained the authoritative one in the German speaking world for two hundred years but it was his interpretation of Plato and the Platonic corpus set forth in his Introductions to the dialogues that proved so revolutionary for classicists and philosophers worldwide Schleiermacher created a Platonic question for the modern world Yet in Schleiermacher studies surprisingly little is known about Schleiermacher s deep engagement with Plato Schleiermacher s Plato is the first book length study of the topic It addresses two basic questions How did Schleiermacher understand Plato In what ways was Schleiermacher s own thought influenced by Plato Lamm argues that Schleiermacher s thought was profoundly influenced by Plato or rather by his rather distinctive understanding of Plato This is true not only of Schleiermacher s philosophy Hermeneutics Dialectics but also of his thinking about religion and Christian faith during the first decade of the nineteenth century Christmas Dialogue Speeches on Religion Schleiermacher s Plato should be of interest to classicists philosophers theologians and scholars of religion

Digressions and the Human Imagination Morten Nielsen,2024-09-30

Digressions and the Human Imagination makes a significant contribution to our anthropological knowledge about human creativity The

creative force of the human imagination is widely considered as a key ingredient in understanding how social and cultural transformations occur And yet what we know about the nature of creative processes is surprisingly limited Taking their cue from literary studies the contributors to this volume explore digression as human creativity's main impulse They offer a series of experimental explorations of digression in different arenas of social life literature conversations myths humour art and wayfinding In their examination of the relationship between creativity and digressive processes the contributions challenge and eventually collapse conventional distinctions between artistic and scientific imaginaries This book articulates with clarity the freedom and joy of wandering off in new directions but also the potentially transgressive and even revolutionary character that digression has when it is put to work through the creativity of the human imagination It will be relevant for anthropologists and other scholars from across the humanities and social sciences with an interest in creativity

Routledge Library Editions: Alchemy Various Authors, 2021-03-05 Reissuing seminal works originally published between 1916 and 1995 Routledge Library Editions Alchemy 7 volume set offers a selection of scholarship covering various facets of alchemical traditions Some texts examine alchemy itself while some offer insight into the motives for alchemical research and others outlay portraits of people such as Giordano Bruno and John Dee [The Penguin History of Europe](#) J. Roberts, 2004-04-29 Comprehensive in its scope and brilliantly readable this is a superb follow up to the author's bestselling Penguin History of the World Beginning with prehistory and the early civilizations of the Aegean The Penguin History of Europe traces the development of European identity in its many guises through the age of Christendom the Middle Ages early Modern history and the old European order **Calvin, Exile, and Religious Refugees** Arnold Huijgen, Karin Maag, 2024-09-09 Every four years the International Calvin Congress gathers a wide spectrum of presenters from leading scholars to early career researchers to learn from each other through several days of plenary lectures panel sessions and discussions This volume of collected essays features current research on John Calvin with a focus on the impact of the exile experience in early modern Europe Several contributions explore how exile and return shaped Calvin and Reformed communities more generally while others shed light on key topics in Calvin research including explorations of his biblical exegesis theological insights and the impact of debates with his contemporaries This volume brings together both senior scholars and newer voices in Calvin studies **History and Utopian Disillusion** Jun Young Lee, 2008 The series is designed to advance the publication of research pertaining to themes and motifs in literature The studies cover cross cultural patterns as well as the entire range of national literatures They trace the development and use of themes and motifs over extended periods elucidate the significance of specific themes or motifs for the formation of period styles and analyze the unique structural function of themes and motifs **Ethics of Contemporary Art** Theo Reeves-Everson, 2020-11-26 What happens when the shock of artistic transgression wears off when scandal dissipates when outrage becomes a tired routine In this original new book Theo Reeves-Everson argues that transgressive art no longer succeeds on its own terms in societies

where language prohibition and morality have become increasingly malleable This compels us to rethink the relationship between contemporary art and ethics and focus our attention on the potential of artworks to propose new values rather than simply challenge pre existing moral codes Assembling a novel theoretical framework from the writings of Félix Guattari Jacques Lacan and others *Ethics of Contemporary Art* narrates a journey away from transgression towards a new critical paradigm for the relationship between ethics and aesthetics that places questions of subjectivity centre stage Along the way artworks by Kader Attia Artur Zmijewski Dora Garcia and others serve as springboards launching discussions of the varied pathways along which a renewed ethics of contemporary art might develop

The History of the World John Morris Roberts, Odd Arne Westad, 2013 A survey of the major events developments and personalities that have shaped human history

The Peacekeeping Economy Lloyd J. Dumas, 2011-09-20 DIV The idea that military strength is virtually synonymous with security is deeply entrenched and widely held But while the threat or use of military force may sometimes be necessary it cannot keep us as safe as we would be by building relationships that replace hostility with a sense of mutual purpose and mutual gain Economic relationships says Lloyd J Dumas can offer a far more effective and far less costly means of maintaining security After defining the right kind of economic relationship one that is balanced and nonexploitative emphasizes development and minimizes environmental damage Dumas then addresses some practical concerns in establishing and maintaining these relationships He also considers the practical problems of the transition from military based security arrangements to economic peacekeeping and the effects of demilitarized security on economic development and prosperity div Translation Studies and China Haiping Yan, Haina Jin, Paul Gladston, 2023-09-22 Focusing on transculturality this edited volume explores how the role of translation and the idea of untranslatability in the transformative complementation of different civilizations facilitates the transcultural connection between Chinese and other cultures in the modern era Bringing together established international scholars and emerging new voices this collection explores the linguistic social and cultural implications of translation and transculturality The 13 chapters not only discuss the translation of literature but also break new ground by addressing the translation of cinema performance and the visual arts which are active bearer of modern and contemporary culture that are often neglected by academics Our volume is ground breaking in its trans disciplinary attention to the study of translation related to China and such a trans disciplinarity should serve as a ground breaking leverage for other areas of humanities as well Through an engagement with these diverse fields the title aims not only to reflect on how translation has reproduced values concepts and cultural forms but also to stimulate the emergence of new possibilities in the dynamic transcultural interplay between China and the diverse national cultural linguistic and contexts of Europe the Americas and Asia It shows how cultures have been appropriated misunderstood transformed and reconstructed through processes of linguistic mediation as well as how knowledge understanding and connections have been generated through transculturality The book will be a must read for scholars and students of

translation studies transcultural studies and Chinese studies **Encyclopedia of Contemporary LGBTQ Literature of the United States** Emmanuel S. Nelson, 2009-07-14 In this two volume work hundreds of alphabetically arranged entries survey contemporary lesbian gay bisexual transgendered and queer American literature and its social contexts Comprehensive in scope and accessible to students and general readers Encyclopedia of Contemporary LGBTQ Literature of the United States explores contemporary American LGBTQ literature and its social political cultural and historical contexts Included are several hundred alphabetically arranged entries written by expert contributors Students of literature and popular culture will appreciate the encyclopedia's insightful survey and discussion of LGBTQ authors and their works while students of history and social issues will value the encyclopedia's use of literature to explore LGBTQ American society Each entry is written by an expert contributor and lists additional sources of information To further enhance study and understanding the encyclopedia closes with a selected general bibliography of print and electronic resources for student research **Before Sunrise** María del Mar Azcona, Celestino Deleyto, 2023-06-12 This book offers a fresh analysis of Before Sunrise that reframes its romance within the contexts of transnational culture and cinema The book highlights the symbolic value of the film's construction of transnational youth in the building of a trans European culture Engaging with the film's critical history this book focuses on its specific view of youth and young love Before Sunrise Young Love on the Move examines young love within the cultural context of the 1990s in the US and its links with Generation X and the slacker culture Within a wider scope it also looks at the history and theory of romantic comedy and its connections with independent cinema In considering the film a transnational text this analysis underlines the parallels between a narrative of young love at the end of the 20th century and the construction of a young or rejuvenated Europe Before Sunrise Young Love on the Move provides an invaluable insight into this beloved film for students and researchers in film studies transnational cinema and youth culture **Freud, Adler, and Jung** Walter Kaufmann, 2017-07-12 Walter Kaufmann completed this the third and final volume of his landmark trilogy shortly before his death in 1980 The trilogy is the crowning achievement of a lifetime of study writing and teaching This final volume contains Kaufmann's tribute to Sigmund Freud the man he thought had done as much as anyone to discover and illuminate the human mind Kaufmann's own analytical brilliance seems a fitting reflection of Freud's and his acute commentary affords fitting company to Freud's own thought Kaufmann traces the intellectual tradition that culminated in Freud's blending of analytic scientific thinking with humanistic insight to create a poetic science of the mind He argues that despite Freud's great achievement and celebrity his work and person have often been misunderstood and unfairly maligned the victim of poor translations and hostile critics Kaufmann dispels some of the myths that have surrounded Freud and damaged his reputation He takes pains to show how undogmatic how open to discussion and how modest Freud actually was Kaufmann endeavors to defend Freud against the attacks of his two most prominent apostate disciples Alfred Adler and Carl Gustav Jung Adler is revealed as having been jealous hostile and an ingrate a muddled thinker

and unskilled writer and remarkably lacking in self understanding Jung emerges in Kaufmann s depiction as an unattractive petty and envious human being an anti Semite an obscure and obscurantist thinker and like Adler lacking insight into himself Freud on the contrary is argued to have displayed great nobility and great insight into himself and his wayward disciples in the course of their famous fallings out *Irish Literature* Mary Ketsin,2004 Irish literature s roots have been traced to the 7th 9th century This is a rich and hardy literature starting with descriptions of the brave deeds of kings saints and other heroes These were followed by generous veins of religious historical genealogical scientific and other works The development of prose poetry and drama raced along with the times Modern well known Irish writers include William Yeats James Joyce Sean Casey George Bernard Shaw Oscar Wilde John Synge and Samuel Beckett **New Global Realism** Gabriele Lazzari,2024-08-22 A comparative study of contemporary realist novels that employ totality as a method and a formal principle to represent the social and economic inequalities of the present this book examines writing in English Italian Kannada and Spanish by authors from Zimbabwe Ghana Italy India and Mexico By theorizing four modalities of totalization employed by contemporary realist writers this book explores the current resurgence of realism and challenges critical approaches that consider it naive or formally unsophisticated Instead it argues that realist novels offer a self conscious and serious representation of the world we inhabit while actively envisioning new social designs and political configurations Through comparative studies of novels by Fernanda Melchor NoViolet Bulawayo Vivek Shanbhag Nicola Lagioia Igiaba Scego Yaa Gyasi and Roberto Bola o this book further explains why realism can be a powerful antidote to the skepticism about the possibility of making truth claims in humanist research
