Another World'S Kronicles Nomadic Warriors D. R. Simpson, 2018-01-19 From beyond the unknowns of the Mighty Brim Mountains of the west they came hordes of nomadic giants called Troguares led by a merciless warlord Obizar their king With the use of dark sorcery and having an insatiable appetite to conquer an entire world he and his armies slowly swept across the land for nearly thousand years bringing kingdom after kingdom of men to their knees leaving death and destruction in their wake While both enslaving and supplementing them as food he held all mankind with an iron grip While the names of both giants and men faded through time there was one constant that remained the name of Obizar known to all as the immortal giant leaving all to ponder his secret until the day came when Champions shall once again rise to challenge the very fabric of Obizar's rule in a life and death struggle to restore mankind once again to its place on top of this vast distant world known as Tyrus
