Honolulu, HI 96819

Dear Rachel Forge,

I am writing to request a medical examination for one of our prospective employees, Jack Fellows. The purpose of this examination is to meet the pre-employment requirements set by the university.

It is essential that he completes this medical examination in order to ensure their ability to meet the job requirements and maintain a safe and healthy work environment. The examination will include a comprehensive assessment of Jack's physical and mental health, as well as the verification of their immunization records.
