Kamloops Recreation Guide

WJ Hussar

Kamloops Recreation Guide:

Crossing Home Ground David Pitt-Brooke, 2016-11-12 Like John Muir David Pitt Brooke stepped out for a walk one morning a long walk of a thousand kilometres or more through the arid valleys of southern interior British Columbia He went in search of beauty and lost grace in a landscape that has seen decades of development and upheaval In *Crossing Home Ground* he reports back providing a day by day account of his journey s experiences from the practical challenges dealing with blisters rain and dehydration to sublime moments of discovery and reconnection with the natural world Through the course of this journey Pitt Brooke s encounters with the natural world generate starting points for reflections on larger issues the delicate interconnections of a healthy landscape and most especially the increasingly fragile bond between human beings and their home places There is no escaping the impact of human beings on the natural world not even in the most remote countryside but he finds hope and consolation in surviving pockets of loveliness the kindness of strangers and the transformative process of the walking itself a personal pilgrimage across home ground *Crossing Home Ground* is a book that though rooted in one specific place and time will evoke a universal sense of recognition in a wide variety of readers It will appeal to hikers natural history enthusiasts and anyone who loves the wild countryside and is concerned about the disappearance of Canada s natural spaces Pitt Brooke s grassland odyssey is sure to become a classic of British Columbia nature writing

Recreation and Parks Betty Van der Smitten, 2005 Gaining an understanding of the recreation and parks profession is crucial to success in the field and to effective leadership within the field *Recreation and Parks The Profession* is a one of a kind resource that delineates the components that make this complex field a profession Written by well known recreation authority Betty van der Smitten this book defines the marks of the recreation and parks profession and identifies the steps involved in becoming a professional in the field profiles 62 professional organizations within the profession provides a Web site that features a time line of the development of areas and organizations of the profession and the most up to date Web addresses for organizations detailed in the text outlines a comparative history of 15 categories of the recreation and parks field in the United States and Canada and presents a classic to contemporary bibliography of resources that showcases an inclusive body of knowledge on the profession Part I describes recreation and parks as a profession and provides students with steps to lay a solid foundation to become a professional Part II grounds readers with a comparative historical overview of the recreation and parks field from the 1500s to the present day The author divides the field into 15 categories and offers suggestions on how to use the time line Part III profiles 62 professional organizations Each profile includes the organization s mission goals structure history publications services and professional credentialing information In addition it lists the organization s Web sites contact information and other vital information that students use in completing course work in applying for internships and in researching various aspects of the profession Part IV contains a bibliography of selected resources on recreation and parks from classic to the present *Recreation and Parks The Profession*

includes a Web site that not only provides links to other current Web sites for the organizations profiled but it also is linked to a color coded version of the time line The time line is ready to download print and use in the classroom or office This version of the time line provides the most effective way to obtain an overall picture of the historical comparison of the categories in the recreation and parks profession Recreation and Parks The Profession is a unique resource for students professors and professionals in recreation and parks The text brings together the important aspects of the field as a profession

Guide to the Alaska Highway Ron Dalby,2011-04-26 Traveling across the great northern expanses from Dawson Creek British Columbia to Delta Junction Alaska the 1 500 mile Alaska Highway remains one of the greatest driving adventures of all time Inside you will find details on gas prices where to camp how to prepare your vehicle for the journey and insightful driving tips Tips scattered through the guide tell you where to spot wildlife let you in on a few favorite fishing holes and highlight important destinations Brimming with full color photography Guide to the Alaska Highway is the most stunning the most complete and most thoroughly researched book on the market today This invaluable guide will help travelers tailor a safe pleasant and enjoyable drive through some of the most scenic and rugged landscape on Earth This guide is perfect for the adventure lover

The Survival Guide to British Columbia Ian Ferguson,2019-10-15 A completely satirical yet oddly practical guide to surviving and thriving in Canada s westernmost province So you ve arrived in British Columbia Perhaps you re just passing through perhaps you want to stay a while You may even be contemplating making British Columbia your home What you need is a well researched clearly written and comprehensive guide to living and even prospering in Canada s westernmost province This isn t it However the information contained in this book will allow you to experience British Columbia with minimal damage to your health and well being Having lived in nearly every province in the country before settling in BC Ian Ferguson can say with great authority that things work differently here So differently in fact that visitors and newcomers from other parts of Canada may put themselves in physical or social peril if they try to dress act drive work vote or socialize in the same ways as they would in Ontario New Brunswick or god forbid Alberta With practical advice little known facts and personal anecdotes Ferguson tackles everything from how to recognize a local and differentiate the various types of facial hair that delineate the male British Columbian to how to survive both natural and unnatural disasters whether it s a light dusting of snow on the southern tip of Vancouver Island or a full blown hockey riot to how BC has been governed through the ages like the time a bootlegger was put in charge of prohibition Illuminating hilarious and only mildly offensive if you have no sense of humour The Survival Guide to British Columbia will make you question why you ever came here in the first place

A Research Guide to Cartographic Resources Eva H. Dodsworth,2018-09-22 The interdisciplinary uses of traditional cartographic resources and modern GIS tools allow for the analysis and discovery of information across a wide spectrum of fields A Research Guide to Cartographic Resources navigates the numerous American and Canadian cartographic resources available in print and online offering researchers academics and students with

information on how to locate and access the large variety of resources new and old Dozens of different cartographic materials are highlighted and summarized along with lists of map libraries and geospatial centers and related professional associations A Research Guide to Cartographic Resources consists of 18 chapters two appendices and a detailed index that includes place names and libraries structured in a manner consistent with most reference guides including cartographic categories such as atlases dictionaries gazetteers handbooks maps plans GIS data and other related material Almost all of the resources listed in this guide are categorized by geography down to the county level making efficient work of the type of material required to meet the information needs of those interested in researching place specific cartographic related resources Additionally this guide will help those interested in not only developing a comprehensive collection in these subject areas but get an understanding of what materials are being collected and housed in specific map libraries geospatial centers and their related websites Of particular value are the sections that offer directories of cartographic and GIS libraries as well as comprehensive lists of geospatial datasets down to the county level This volume combines the traditional and historical collections of cartography with the modern applications of GIS based maps and geospatial datasets **The Serials**
