Soil Conservation Service,1984 *Official Tractor and Farm Equipment Manual* ,1965 **Forty Years with Ford Tractors** David Pearson,2019-10-01 David Pearson spent more than

four decades working for Ford's tractor business starting on the production line at the maker's Dagenham factory before moving to the Basildon tractor plant opened in 1964. He went on to become the maker's UK sales manager and earned a reputation among farmers and dealers as the man who knew all there was to know about Ford tractors. Along the way he was involved in the development of some of the most famous machines to bear the blue livery from the Dexta to the 7000 and the FW articulated tractors to the 7810. Edited by agricultural journalist Martin Rickatson, *Forty Years with Ford Tractors* builds on a series of recollections which originally featured in *Classic Tractor* magazine and includes additional material to tell David's fascinating story in full. It includes a comprehensive selection of black and white and colour photographs many of which have never before been published and will be of interest to all Ford fans and tractor fans more generally. Keep on Truckin': 40 Years on the Road

Mick Rennison, 2016-03-16 Did the Good Old Days ever really exist? Mick Rennison is not so sure. After miraculously passing his test in an Atkinson Borderer way back in 1974, Mick drove in the days when crooks and con men seemed to run the haulage industry. And Mick worked for most of them, earning crap wages from arrogant bosses with the constant threat of your P45 hanging over your head; he learned his trade through trial and error, many trials and lots of errors. His career took him all over Europe and Scandinavia, taking musical shows to Norway, JCBs to Greece and supermarket deliveries down to Gibraltar. Driving for a variety of firms, he double-manned trucks with his wife Jo for nearly 10 years. Along the way he has been blown over in high winds, outwitted hijackers and held hostage by striking Spanish drivers. Now living on a narrow boat on the Grand Union Canal, Mick is approaching retirement and reflects on his varied career with humour and not a little sarcasm. He concludes that as good as those days were, he certainly wouldn't want to go back.

King of the Norfolk Poachers, The: His Life and Times Charlotte Paton, 2009-10-01 In the early 1930s an elderly mole catcher became the subject of one of East Anglia's best-loved tales of country life. I Walked by Night. Over sixty years later Norfolk writer Charlotte Paton became fascinated by this man and set out to find the truth about him, beginning with his name. Frederick Rolfe. Charlotte conducted exhaustive research, providing a vibrant account with plenty of social history. This book is the biography of a difficult man who could inspire devotion but came to a tragic end.

Stuart Gibbard, 2019-10-01 This illustrated work covers the stories of five British engineering companies that produced successful ranges of agricultural earthmoving or construction machinery. County, Doe, Chaseside, Muir Hill, Matbro and Bray all made extensive use of the Ford tractor skid unit as a basis for their machines and they pioneered the development of the four-wheel drive agricultural tractor in Britain. Stuart Gibbard gives details of all the main models and machines of these manufacturers. He chronicles the fortunes of the firms from the beginning of the 20th century to the present day and discusses many of the personalities involved.
